Presentation Of Prophecy:

Presentation of Prophecy Colette Toach, 2014-05-15 Bold confident unmovable this is how you speak for the Lord If prophecy was so natural we would all be doing it right The truth is delivering prophecy is not natural It takes having the courage to look stupid yet having the confidence to speak when He calls you to You do not need to be a prophet to prophecy and God will not come forcibly on you and make you do anything It is indeed a gift of the spirit that can be practiced Prophecy is a powerful ministry tool that is often neglected because of the lack of teaching However this message will rock the boat and change all of that The cloud of wonder that has hovered over how to flow in prophecy will be unraveled in this message By the end of it you will be amazed to discover how accessible this gift of the Holy Spirit is to you You will know the steps 1 2 3 of presenting prophecy Yes YOU can flow in this gift and present it in a way that it will go out with power and might and anointing Come Sunday you can be proclaiming His word and speaking His will over the lives of believers

Prophecy and the Prophets in Ancient Israel John Day, 2010-06-03 This major work re examines

prophecy and the prophets in ancient Israel with essays ranging all the way from Israel's ancient Near Eastern background right up to the New Testament. The majority of essays concentrate on prophecy and the prophets in the Old Testament which are approached from a remarkable number of different angles. Particular attention is paid to the following subjects: Prophecy amongst Israel's ancient Near East neighbours; female prophets in both Israel and the ancient Near East; Israelite prophecy in the light of sociological, anthropological and psychological approaches; Deuteronomy 18:9-22; the Prophets and Scripture; Elijah, Elisha and prophetic succession; the theology of Amos, Hosea and the Baal cult; the sign of Immanuel; the rewriting of Isaiah in Isaiah 28:31; Deutero-Isaiah and monotheism; Jeremiah and God; Aniconism and anthropomorphism in Ezekiel; Habakkuk's dialogue with God and the language of legal disputation; Zephaniah and the Book of the Twelve hypothesis; Structure and meaning in Malachi; Prophecy and Psalmody; Prophecy in Chronicles; Prophecy in the New Testament.

Throne Room Prophecy Hank Kunneman, 2020-09-15. When it comes to prophecy, how can we discern if the words being spoken are true, false or wrong? God is calling His people to press into a higher realm of revelation so that the words they share come from Heaven, not from their flesh, soul or other sources. Hank Kunneman is a trusted father and mentor in the prophetic.

Prophets and Personal Prophecy Bill Hamon, Oral Roberts, 2011-07-28. There are more examples of personal prophecy in Scripture than in any other biblical subject. Prophets and Personal Prophecy is not an abstract theological doctrinal statement but a practical how-to guide on what personal prophecy is and what you are supposed to do with it. This book is an absolute must for anyone who has ever heard or even thought they heard from God. Dr. John Gimenez, Jim Jackson, Earl Paulk, Ken Sumrall, Gary Greenwald, Norvel Hayes and Emanuele Cannistraci have also endorsed this manuscript. Read their comments in the front pages of this book. Prophets and Personal Prophecy: God's Prophetic Voice Today makes incredible strides towards restoring Personal Prophecy to the Church and is the only book of its kind. Topics covered include: Putting Personal Prophecy in proper perspective; The nature of Personal Prophecy; Decisions of marriage, business and geographic moves; Guidelines for handling Personal Prophecy; God's purposes for Prophets.

The Word of God in Transition William M. Schniedewind, 1995-01-01. The Chronicler distinguishes between traditional prophets and inspired messengers and thereby highlights a radical transition in the meaning of the word of God which takes place in the post-exilic period. The Chronicler summarizes his perspective in 2 Chron 36:16, saying that Israel rejected his prophets, the messengers of God and his word, i.e. Torah. This distinction is reflected in the forms and functions of prophetic speech in the books of Chronicles. Thus the prophets speak to the king and the inspired messengers, e.g. priests, levites, speak to the people. The prophets interpret narrative events for the king; they explain how God acts. The inspired messengers exhort the people, admonishing them how they should act. The prophets' speeches usually do not use any kind of inspiration formula, but the inspired messengers' speeches are prefaced with possession formulas. These possession formulas are not typical of classical prophecy and mark the rise of a new kind of prophecy, namely the inspired interpretation of texts. These inspired messengers are thus forerunners of

the inspired interpreters of scripture in Qumran early Christianity and Judaism
