ACT 1 Study Guide:

1. What is essentially the job of a stage manager? What is the significance of Wilder's changing the stage manager's role? In what ways is the Stage Manager in Our Town most literally a "stage manager?"

2. From the opening of the play, it is obvious that no attempt is being made at representing reality. What is achieved by having an almost bare stage instead of an elaborate set and by allowing the audience to witness the process of "setting the stage?"

3. In what ways is the Stage Manager akin to an omniscient narrator in a novel? What effect does this have on the audience's experience of the play?

4. The Stage Manager knows the outcome of the story from the very beginning and gives the audience information about the future. How does this information affect the suspense of the play?

5. What sounds and sights indicate the start of a new day?
