Prentice Hall Reader 10th Edition

Barbara Cherry, Susan R. Jacob

Prentice Hall Reader 10th Edition:

The Prentice Hall Reader George Miller, 1994 For one semester freshman level courses in Composition Both student and instructor friendly this text reader offers an abundance of interesting and appealing essay examples easily implemented classroom suggestions and varied homework and writing assignments **Alternating Views 2.0** Jeffrey V Perry, 2010-04-02 Alternating Views 2.0 is a compendium or perhaps more precisely a compilation of essays of ideas of comments and of critiques on a variety of subjects with no particular rhyme or reason The understanding behind these essays has to be viewed through the transparency of the flavor in the words of my poem Room without a Wall cited above Suggested is what is called today thinking outside of the box if you will When I wrote this poem as a child there was only the box and at that time no one had even imagined thinking outside of it The essays in Alternating Views 2.0 explain how ideas are not there until they are there For instance in the cited poem if you never think about the wall then it remains a wall until you can conceive it as not being a wall or barrier to the outside To me thinking is the ultimate first amendment which should be free and open but limited only by the words that a thought reflects and the sense that thought eventually has to make Otherwise It remains but a fleeting illusion to be pursued but never attained Haile Selassie 1968 Our thoughts must make some sense to others or they stay in that room that is our mind So open your mind to hear my thoughts as you read and enjoy That said Alternating Views 2.0 follows no patterns at all In fact it is more or less like a talk show on a variety of subjects What is more amazing since I believe I write poetry first is that my essays usually unfold when my poems cannot express all I need to say or they expound further beyond and outside the verse Sometimes I may desire to be perfectly clear not to leave too much to literary interpretations so I truly hope you understand what I am saying even if you do not agree with particular points My desire that my words give you an idea or nudge you to a space which is somewhere beyond the confines of the room that is outside of your mind So enjoy the journey Jeffrey V Perry poet is a free thinker Truth is for you to embrace first by thinking and then by living it Since God wanted you to have more He has given it to you We only have each other For I am my brother's keeper and he is mine Peace and Love Always JP *Applied Organizational Communication* Thomas E.
