Second Language Acquisition Susan M. Gass, Jennifer Behney, Luke Plonsky, Elizabeth Huntley, 2025-03-17. Now in its sixth edition, this bestselling textbook remains the cornerstone for the study of second language acquisition, providing a comprehensive yet accessible introduction to SLA. This substantially revised and updated edition has been edited into ten chapters with a focus on the most frequently taught core themes and increased accessibility. A new introductory chapter provides a concise overview of the history of the field. Omitted chapters are available online where supplementation is desired. The text continues to provide a rich range of pedagogical tools that encourage students to reflect upon the experiences of second language learners. As with previous editions, discussion questions and problems are peppered throughout each chapter to help students apply their knowledge, and a glossary defines and reinforces must-know terminology. Additional questions and problems appear on the online companion website. This seminal text is ideal core reading for SLA courses in second language studies, applied linguistics, linguistics, TESOL, and/or language education programs. This textbook is supported with Instructor and Student Resources, including PowerPoint slides, exercises, flashcards, audio, and video links. www.routledge.com/cw/gass

Second Language Acquisition and Task-Based Language Teaching Mike Long, 2014-07-31. This book offers an in-depth explanation of Task-Based Language Teaching (TBLT) and the methods necessary to implement it in the language classroom successfully. Combines a survey of theory and research in instructed second language acquisition (ISLA) with insights from language teaching and the philosophy of education. Details best practice for TBLT programs, including discussion of learner needs and means, analysis, syllabus design, materials, writing, choice of methodological principles, and pedagogic procedures, criterion-referenced task-based performance assessment, and program evaluation. Written by an esteemed scholar of second language acquisition with over 30 years of research and classroom experience. Considers diffusion of innovation in education and the potential impact of TBLT on foreign and second language learning.

Second Language Acquisition Theory Alessandro G. Benati, John W. Schwieter, 2022-08-15. Professor Michael H. Long (1945–2021) was one of the most influential scholars in the field of second language acquisition.
