

The image shows a close-up of a book's spine. The left side of the spine is covered in a dark green, textured cloth. The right side, which is the front cover, is made of a reddish-brown leather with a gold-tooled pattern. The text '12 ENGLISH' is printed in white, bold, sans-serif capital letters on the green cloth. Below it, 'LITERARY STUDIES' is printed in a larger, white, bold, serif capital font, also on the green cloth. The gold-tooled leather features a repeating diamond or lozenge pattern.

The Routledge Handbook of Hispanic Applied Linguistics Manel Lacorte, 2014-09-19 This book provides a comprehensive overview of Hispanic applied linguistics allowing students to understand the field from a variety of perspectives and offering insight into the ever growing number of professional

opportunities afforded to Spanish language program graduates The goal of this book is to re contextualize the notion of applied linguistics as simply the application of theoretical linguistic concepts to practical settings and to consider it as its own field that addresses language based issues and problems in a real world context The book is organized into five parts 1 perspectives on learning Spanish 2 issues and environments in Spanish teaching 3 Spanish in the professions 4 the discourses of Spanish and 5 social and political contexts for Spanish The book's all inclusive coverage gives students the theoretical and sociocultural context for study in Hispanic applied linguistics while offering practical information on its application in the professional sector

Teaching Human Rights in Literary and Cultural Studies Alexandra Schultheis Moore, Elizabeth Swanson Goldberg, 2015-11-01 Since the adoption of the Universal Declaration of Human Rights of 1948 the discourse of human rights has expanded to include not just civil and political rights but economic social cultural and most recently collective rights Given their broad scope human rights issues are useful touchstones in the humanities classroom and benefit from an interdisciplinary and cross cultural pedagogy in which objects of study are situated in historical legal philosophical literary and rhetorical contexts Teaching Human Rights in Literary and Cultural Studies is a sourcebook of inventive approaches and best practices for teachers looking to make human rights the focus of their undergraduate and graduate courses Contributors first explore what it means to be human and conceptual issues such as law and the state Next they approach human rights and related social justice issues from the perspectives of particular geographic regions and historical eras through the lens of genre and in relation to specific rights violations for example storytelling and testimonio in Latin America or poetry created in the aftermath of the Armenian genocide Essays then describe efforts to cultivate students capacity for ethical reading practices and to deepen their understanding of the stakes and artistic dimensions of human rights representations drawing on active learning and experimental class contexts The final section on resources directs readers to further readings in history criticism theory and literary and visual studies and provides a chronology of human rights legal documents

Service-Learning in Literacy Education Valerie Kinloch, Peter Smagorinsky, 2014-03-01 This edited collection will stand as the first volume that specifically describes service learning programs and courses designed as part of teacher education programs in the fields of literacy education secondary English education elementary language arts education and related fields The contributing authors describe the programs they have developed at their universities and or in their local communities providing information about the rationale for their initiative the design of the course the outcomes of the experience and other matters that will help literacy educators develop similar courses and experiences of their own Additionally this edited collection will fill a great gap in the field's knowledge of alternative forms of teacher education It will provide descriptions of service learning initiatives that have been field tested with demonstrable results Thus far the field has produced widely scattered articles in journals covering a variety of disciplines but no definitive collection of papers in which service learning designed to promote literacy instruction is housed in a single volume edited for cross referencing and

thematic categorization The two editors have developed courses and received grants to support service learning initiatives at their universities and believe that others might develop similar programs if they had better understandings of their value and design Their intention with this volume is to promote service learning more broadly among literacy educators **The Routledge Handbook of Spanish as a Heritage Language** Kim Potowski,2018-05-11 The Routledge Handbook of Spanish as a Heritage Language brings together contributions from leading linguists educators and Latino Studies scholars involved in teaching and working with Spanish heritage language speakers This state of the art overview covers a range of topics within five broad areas Spanish in U S public life Spanish heritage language use and systems educational contexts Latino studies perspectives and Spanish outside the U S The Routledge Handbook of Spanish as a Heritage Language addresses for the first time the linguistic educational and social aspects of heritage Spanish speakers in one volume making it an indispensable reference for anyone working with Spanish as a heritage language *University of Michigan Official Publication* University of Michigan,1999 Each number is the catalogue of a specific school or college of the University
