Forever, That's How Long I'm Going to Love You Zeke Smith, 2012-04-23 A modern day love story about a couple named Zeke and Legs Zeke sprung from a world filled with danger and secrets He was raised by two parents that instilled strong moral values in him Zeke instead began to favor the excitement of the street life Legs on the other hand was a stunning beauty from a loving family that fell victim to the negative trappings of urban life Their paths crossed as they were beginning to live a normal life Legs and Zeke fell madly in love in only a short time Their lust and desire for each became a priority They decided to marry when a child was on the way This began the drama that was their life Keep an open mind as you relive their lives The story is written with truth and detailed accounts of the many events that took place They both found God and sought redemption through Jesus the Christ Don't let the discomfort of their acts deter you from reading their entire

story Remember they had to live through it too The real heroes of the story are God and Christ consequently without the resurrecting power of the almighty their lives may have remained lost I suggest you keep a Bible close by just as I did while writing the story

Friends and Lovers Joel R. Beeke, 2012-02 Marriage aims at the glory of God through intimate companionship God meant husband and wife to walk together talk together work together and sleep together As the Puritans said God did not make the woman out of man's head to control him or out of his feet for him to trample on her but out of his side to be embraced near to his heart Here is a book of practical encouragements for two key aspects of marriage companionship and sex Dr Joel Beeke draws upon the wisdom of the Holy Scriptures and over three decades of pastoral ministry to present a dozen practical principles for fanning into flame the fire of love between husband and wife The Bible has a higher aim than a satisfying marriage namely glorying in God forever Marriage will one day be done made obsolete by the magnificent relationship between Christ and His people Even now marriage is neither the chief purpose nor the highest joy of man But the Scriptures do call wedded people to glorify God here and now through their marriages Dr Beeke's book aims to assist them in this In Part I Friends the book explores the meaning cultivation and threats to friendship in marriage Friendship is that personal bond of shared life that brings people together in delightful harmony It is rooted God's created order of making men and women in His image We broke this harmonious order when our first parents sinned against God simultaneously turning against each other But Christ is the great peacemaker and friendship restorer Cultivating friendship with your spouse is hard work but profoundly rewarding It revolves around sharing life together The book gives guidance in how to share yourself with your spouse through the gifts of time discussing decisions listening to each other's feelings talking about how God is at work in your lives praying together building trust laughing together giving thanks pleasing your spouse and finding shared interests It also walks the reader through the minefields of giving and receiving correction honoring in laws having balanced friendship with others and supporting one another in crises Above all we must remember that our most important friendship is with our Lord Jesus Christ

who alone can walk with us through life death and eternity In Part II Lovers Dr Beeke sets forth several ways in which the gospel energizes married Christians to enjoy sex in holy delight The words gospel sex and holy may not seem to go together This book shows that in reality sexual love between husband and wife is both a holy duty pleasing to God and blessed privilege empowered by Christ s grace Rather than splitting our lives into different compartments such as sex and religion God calls us to respond to Christ s mercies by offering our whole existence to Him as a living sacrifice The Bible teaches us doctrines like the image of God in man the creation mandate God laid upon the human race the moral law for marriage forgiveness of sins by faith in Christ sanctification by divine grace Christ s call to take up our cross adoption by God and turning from idols to give thanks to God All these doctrines have massive implications for our sexual relationship with our spouses However these doctrines must do more than sit in our minds they must sink into our hearts In Reformed experiential fashion Dr Beeke leads the reader to know believe feel and act based upon God s Word applied by God s Spirit *New York Magazine* ,1984-04-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
