One Life Jesus Calls We Follow:

One.Life Scot McKnight, 2010-12-21 What is the Christian life all about Studying the Bible attending church cultivating a prayer life witnessing to others those are all good But is that really what Jesus has in mind The answer says Scot McKnight in One Life lies in Jesus words Follow me What does it look like to follow Jesus and how will doing so change the way we live our life our love life our justice life our peace life our community life our sex life everything about our life One Life will open your eyes to the full compelling immensity of what it means to be a Christian Jesus offers to us a kingdom dream that transforms us to the very core of our being says Scot McKnight His vision is so big we are called to give our entire life to it His vision is so big it swallows up our dreams Discover exactly what Jesus meant when he announced the arrival of God's kingdom Equipping you with a new understanding of that kingdom's radical nature One Life shares profound challenging and practical insights on how to demonstrate its reality in your life In many ways what The Cost of Discipleship by Bonhoeffer challenged Christians to do in earlier generations One Life will do for a new generation One Life will call you beyond the flatlands of religiosity toward a kingdom vision that will shape everything you do *Following Jesus Christ* John K.

Goodrich, Mark L. Strauss, 2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today's World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty-first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy Rich with insight *Following Jesus Christ* represents a major advance in this essential area of study Craig A. Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource Thomas R. Schreiner The Southern Baptist Theological Seminary **Healing Our Broken**

Humanity Grace Ji-Sun Kim, Graham Hill, 2018-08-28 We live in conflicted times We want to see justice restored because Jesus calls us to be a peacemaking and reconciling people But how do we do this Grace Ji-Sun Kim and Graham Hill offer ten ways to transform society from lament and repentance to relinquishing power reinforcing agency and more Embodying these practices enables us to be the new humanity in Jesus Christ *Take My Hand* James H. Dobbins, 2004-12 You may know what you are but do you know who you are in God's eyes Would you like to find out Read *Take My Hand* for the answer

Leadership in Community Lee A. Carter, *Leadership in Community* is a spiritual formation curriculum that engages

new or seasoned missional leaders in the foundations of missiology leadership theory and missional leadership practices and tools The curriculum explores three major topics important for missional leadership all of which build upon one another the missiology community and ethics of missional leadership These themes are explored through a spiritual formation practice called Lectio Missio an expansion of Lectio Divina that incorporates missional themes and practices Using Lectio Missio small groups of missional leaders engage in Scripture reading and study prayer conversation meditation journaling reflection and experiential learning These disciplines focus on spiritual formation as the basis of missional leadership training and development

Following Rabbi Jesus Phil Needham, 2018-01-24 *Following Rabbi Jesus* is a surprising exposure of who the Jesus we find in the Gospels really is what he teaches those who dare to follow him and how he models what it means to live God's radical kingdom way The reader of the book will discover in this exploration a very different Jesus from the celebrity or hero of much popular church culture the tame ineffective Jesus of compromised Christianity and the inaccessible conceptual Christ of much academic theology The reader who takes the chance of honestly engaging the Jesus we meet in the Gospel stories may find an engaging and liberating contrast to the life he is now living He may even want to make a turn or two and start over
