Mumbo Jumbo Stories Ben Gilbert:

Mumbo Jumbo Ben Gilbert, 2015-01-10 An Anthology of modern short stories Fiction and non fiction A diverse collection of dark stories and travel journals If you enjoy reading about weird experiences and eccentric perceptions then Mumbo Jumbo is for you Cold crystal particles beautifully shaped and delicately formed into the soft snow or harsh ice of hiking and climbing This is what the word crystal conjures for me For others it may be a cure in crystal healing the devil calling in crystal meth an expensive cut glass thing or just a pretty stone Once I even knew a girl called Crystal who had the magic of a piece of crystal rock Berlin November 9th 2014 The bar was dimly lit in fact from the outside it barely looked open Crystal Night The ceremony was repeated the next night but this time Miguel bypassed the ritual and clothing and went straight to the point There were only about six people in the tipi besides Miguel and Fish and Miguel seemed animated immediately dishing out the ayahuasca after the tobacco splutter For some reason he gave me a glass like a whisky glass but without the shot or two It was a full glass I heard him tell Fish in Spanish that it was really strong and Fish physically tried to stop him from giving it to me Miguel shrugged him off I ended up drinking the lot Nothing could have prepared me for what happened next Mumbo Jumbo

The World Peace Journals Ben Gilbert, 2015-12-10 A Himalayan Journey into Madness Mayhem and Adventure It documents a Nepal not spoken or written about in other travel or adventure stories not sparing the reader from harsh realities corruption and madness a sojourn into the Himalayas that succinctly captures the myths history geography and people in a way that shocks but also brilliantly entertains Adventure as it should be just do it and damn the rest Ian Thurlby founder of The Blue Space Guides Co operative Fools rush in where sane men fear to tread what an adventure Tessa McGregor wildlife presenter and journalist I had never visited Nepal Before I read this book Magical tragic and heart warming Writing at its best and I enjoyed every word Samantha Kennedy English Teacher

Figures in Black Henry Louis Gates (Jr.), 1987 Argues that Black literature cannot be characterized strictly as social realism and offers a textual analysis of works by eighteenth to twentieth century Black writers

Figures in Black : Words, Signs, and the "Racial" Self Henry Louis Gates Jr. Chairman of the Department of Afro-American Studies and W.E.B. DuBois Professor of the Humanities Harvard University, 1987-07-16 The originality brilliance and scope of the work is remarkable Gates will instruct delight and stimulate a broad range of readers both those who are already well versed in Afro American literature and those who after reading this book will eagerly begin to be Barbara E Johnson Harvard University A critical enterprise of the first importance Gates promises to lead and to show the way in boldness of conception in vigor of execution and in vitality and pertinence of expression James Olney Louisiana State University Recently awarded Honorable Mention from the John Hope Franklin Publication Prize Committee of the American Studies Association *Figures in Black* takes a provocative new look at how we analyze and define black literature Henry Louis Gates Jr attacks the notion that the dominant mode of Afro American literature is or should be a kind of social realism evaluated primarily as a reflection of the Black Experience Instead Gates insists that critics turn to the language of the text and bring to their work the close methodical analysis of language made possible by modern literary theory But his goal in this volume is not merely to apply contemporary theory to black texts Indeed as he ranges from 18th century poet Phillis Wheatley to modern writers Ishmael

Reed and Alice Walker he attempts to redefine literary criticism itself moving it away from a Eurocentric notion of a hierarchical canon mostly white Western and male to foster a truly comparative and pluralistic notion of literature In doing so he provides critics with a powerful tool for the analysis of black art and more important reveals for all readers the brilliance and depth of the Afro American tradition **American Book Publishing Record** ,1973
