

QUICK-FIX COOKING with ROADKILL

America's most trusted naturalist and foremost roadkill expert, Buck "Buck" Peterson, author of the best-selling *The Original Road Kill Cookbook*, hits the road again with a new slew of shopping and cooking tips for the penny-pinching, organic-minded, and crunched-for-time among us.

With the economy in shambles, why pay high prices for organic foods at your local grocer when the most organic meats you can find are littered on your local roads and highways for free? Inside this hilarious, tongue-in-cheek cookbook, you'll find quick tips for serving some North American roadkill favorites, along with a guide to shopping around for and preparing big and small, land and water game alike. With recipes for family favorites like Deep-Ditch Pizza, Freeway Frittata, and Shish Kaboom Kebabs, good eating is just around the corner . . . literally!

As the executive director of the Meals Under Wheels Foundation™, Buck "Buck" Peterson is a successful humor writer and the author of more than ten books. His best known is *The Original Road Kill Cookbook*, which contains innovative recipes for preparing vehicular roadkill, a food source Buck believes is highly underrated. His home base is a target-rich environment in northern Minnesota.
