Seventh Day Adventist Lesson Guide:

What Every Seventh-Day Adventist Should Know About the Shepherd's Rod Garrick D. Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd's Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In *What Every Seventh day Adventist Should Know about The Shepherd's Rod* author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd's Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod's message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond *What Every Seventh day Adventist Should Know about The Shepherd's Rod* journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1975 *The Elephant in the Room* Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book *Testimonies for the Church* volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple

Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner

THE BIG BOOK OF ELLEN G. WHITE ERRORS Earl Pickett, 2013-12-07 She is held in high esteem as a prophetess of God to millions of Seventh day Adventists According to their books and research she passes every test of a Biblical prophet However not all the information is being shared This book will reveal 200 amazing and shocking things that Ellen G White said that the SDA Church doesn t want you to know about This book was written to expose sincere Bible loving Adventists to a side of Mrs White that they have never seen before It is my hope that this book will be the truth that sets them free and causes the powers that be in the SDA church to make the Bible and only the Bible their source of all authority

Discipleship Handbook General Conference Sabbath School and Personal Ministries, 2018-01-01 There is no higher calling than to be a disciple of Jesus Christ Nothing compares to knowing and following the Savior of the world To know Him is to love Him and to follow Him is a wonderful adventure Still the discipleship journey is full of pitfalls and snares that threaten to lead us away from the narrow path that leads to heaven If the devil had his way every Christian would be lulled to

spiritual slumber or led into forbid den paths that would steal the heart away from God Therefore even after we are baptized it is imperative that we continue to grow into active and mature disciples of Christ The Discipleship Handbook will benefit anyone seeking such an experience with Jesus It may be used for personal study or in Sabbath schools prayer meetings small groups or one on one settings It is more than a book about discipleship Rather it contains everything needed for a six month Bible based discipleship plan for Seventh day Adventist churches and their members The Discipleship Handbook was developed to ensure that the most essential areas of discipleship are covered The devotional life personal witnessing church life Christian lifestyle and evangelism each receive special emphasis For newer members the 26 chapters of the Discipleship Handbook serve as the heart of 26 weekly meetings with a more experienced mentor *James K. Humphrey and the Sabbath-Day Adventists* R. Clifford Jones,2009-09-18 In *James K Humphrey and the Sabbath Day Adventists* R Clifford Jones tells the story of this important black religious figure and his attempt to bring about self determination for twentieth century blacks in New York City Humphrey was a Baptist minister who joined the Seventh day Adventist SDA Church shortly after arriving in New York City from Jamaica at the turn of the twentieth century A leader of uncommon competency and charisma Humphrey functioned as an SDA minister in Harlem during the time the community became the black capital of the United States Though he led his congregation to a position of prominence within the SDA denomination Humphrey came to believe the black experience in Adventism was one of disenfranchisement When he refused to alter his plans for a utopian community for blacks in the face of dissent from SDA church leaders Humphrey s ministerial credentials were revoked and his congregation was dissolved Subsequently Humphrey established an independent black religious organization the United Sabbath Day Adventists This book rescues the Sabbath Day Adventists from obscurity Humphrey s break with the Seventh day Adventists provides clues to the state of black white relationships in the denomination at the time It set the stage for the creation of the separate administrative structure for blacks established by the SDA church in 1945 This history of a minister and his church demonstrates the struggles of small independent black congregations in the urban community during the twentieth century **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress.
