## **Sex And The City Kiss And Tell:**

Sex and the City Amy Sohn, 2002-10-01 Television's sauciest and sexiest program is nothing less than a national phenomenon. Now after four wildly successful and critically acclaimed seasons, the show's winning formula of sex, glamour, humor, and candor is available in a one-of-a-kind elegant and uniquely entertaining hardcover book. *Sex and The City Kiss and Tell* is the ultimate fan bible, offering a comprehensive behind-the-scenes guide to NYC and its most fabulous foursome: the friends and boyfriends, the bar rooms and bedrooms, the infatuations and fashions. Packed with information and photos not available anywhere else, it will fascinate and delight its readers with wholly original material from the show's stars, producers, writers, costume designers, and more. It includes all access passes to the sets, production offices, and wardrobe closets at the Silvercup studios; an insider's tour of the sets; and a detailed map of the bistros and boutiques where Carrie and friends sip, shop, and seduce. Each of the show's major players is interviewed, offering revealing intimate biographies and sharing the true life stories that inspire every episode. An elegant, beautiful edition with an exclusive introduction from Sarah Jessica Parker herself, this book is every bit as intoxicating as the pink Cosmopolitans sipped by Carrie and friends at Manhattan's chicest hot spots.

**sex and the city kiss and tell** Amy Sohn, 2003-10-01 *Sex and the City and Us* Jennifer Keishin Armstrong, 2019-05-07 The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series *Sex and the City* in a bubbly yet fierce cultural dissection of the groundbreaking show. *Chicago Tribune*: This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual, if still often begrudging, respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the *New York Observer*, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons, hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex, and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives. The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a 20 pink cocktail. *The Washington Post*: *Sex and the City and Us* is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

**Sex and the City** Nicole Evelina, 2022-11-15 An insightful look at the cultural impact of the television phenomenon *Sex and the City*. Back in the late 1990s and early 2000s, one word was on everyone's lips: sex. *Sex and the City* had taken the United States and the world by

storm Carrie Miranda Charlotte and Samantha influenced how a generation of women think practice and talk about sex allowing them to embrace their sexual desires publicly and unlocking the idea of women as sexual beings on par with men In Sex and the City A Cultural History Nicole Evelina provides a fascinating in depth look at the show s characters their relationships and the issues the show confronted From sexuality and feminism to friendship and motherhood Evelina reveals how the series impacted viewers in the 1990s as well as what still resonates today and what has glaringly not kept up with the times The world has changed dramatically since the show originally aired and Evelina examines how recent social movements have served to highlight the show s lack of diversity and throw some of its storylines into a less than favorable light While Sex and the City had problematic issues it also changed the world s perception of single women emphasized the power of female friendship built brands and influenced fashion This book looks at it all from the pilot episode to the spin off movies prequel and reboot that together have built an enduring legacy for a new generation of women **Sex and the city**,2004 Sex and the City Amy Sohn,2004-02-23 A fan s resource for the award winning cable television program features information about the show s actors producers costume designers and sets and provides summaries of each season and interviews with the cast **Prospect Park West** Amy Sohn,2009-09-01 In Amy Sohn s smart sexy satirical peek into the bedrooms and hearts of Prospect Park West the lives of four women come together during one long hot Brooklyn summer The lives of these four Brooklynite women look basic on the outside but inside each woman feels a building frustration with life that could burst any second Frustrated Oscar winning actress Melora Leigh eager to relieve the pressures of raising her adopted toddler feels the seductive pull of kleptomania Rebecca Rose missing her formerly robust sex life begins a dangerous flirtation with handsome neighborhood celebrity Lizzi O Donnell so called former lesbian wonders what draws her to women despite her sexy husband and adorable baby and Karen Bryan Shapiro consumes herself with a powerful obsession that is sure to complete her perfect life snagging the ultimate three bedroom apartment in a well maintained P S 321 zoned co op building As the women s paths intertwined and sometimes collide each must struggle to keep her man her sanity and her playdates Television Program Master Index Charles V.
