

Sex Crimes Patterns and Behavior Stephen T. Holmes

Sex Crimes Patterns And Behavior

Richard Wright

Sex Crimes Patterns And Behavior:

Sex Crimes Stephen T. Holmes, 2002 *Sex Crimes and Sex Offenders* Donna Vandiver, Jeremy Braithwaite, 2016-12-08

Sex Crimes and Sex Offenders Research and Realities provides an overview of social scientific theory and research on sex crimes and sex offenders. Most other books on the market are focused on a single issue such as treatment, rape, pedophilia, theory, etc. This book is unique in that it covers the most current theory and research along with individual cases of sex crimes, e.g. Kobe Bryant, Jerry Sandusky, and other case studies effectively linking theory and research with the realities of sex crimes and sex offenders as well as their victims. Vandiver, Braithwaite, and Stafford are careful to dispel myths and to focus on the heterogeneity of sex crimes and sex offenders and not on any one issue or population or theory. Instead, they weave a framework using a full range of theoretical concepts and research data to integrate their discussions of crimes, offenders, victims, treatments, and policy implications. The result is a valuable resource for students and early stage researchers investigating sex crimes or offenders.

Sexual Crime Caryn E. Neumann, 2009-12-14. A contemporary fact-filled resource on the historical, legal, medical, and political aspects of a wide variety of sexual crimes. Authoritative and informative. *Sexual Crime: A Reference Handbook* offers a thoroughly up-to-date report on an issue of extraordinary urgency. It is an expert introduction to a variety of often misunderstood crimes. *Sexual Crime* begins with a background chapter outlining the causes and definitions of sexual crime, legal and cultural attitudes over the past three centuries, and common myths surrounding this sensitive subject. It then offers wide-ranging coverage of issues including date rape, crimes involving male victims, rape in prison, female perpetrators, medical treatments, political ramifications, and other contemporary issues.

Sex Crimes: Oxford Bibliographies Online Research Guide Karen Terry, 2010-05. This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear, from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. A reader will discover, for instance, the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic. In criminology, as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from *Oxford Bibliographies Online: Criminology*, a dynamic, continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology. *Oxford Bibliographies Online* covers most subject disciplines within the social science and humanities; for more information, visit www.oxfordjournals.org.

Reconsidering Sex Crimes and Offenders Laura J. Zilney, Lisa A. Zilney, 2009-07-23. This examination of our nation's

sex crime laws and the social attitudes behind them argues that many citizens are being pursued as sex offenders for nonviolent and oftentimes consensual sexual behaviors Cutting through the hysteria and hype *Reconsidering Sex Crimes and Offenders Prosecution or Persecution* argues that while convicted violent sex offenders certainly should be punished many laws targeting minor sexual offenses are outdated overly severe and too concerned with satisfying public outrage driven by distortions misconceptions and sensationalistic media coverage *Reconsidering Sex Crimes and Offenders* is sure to challenge readers understanding of who a sex offender is how they should be treated and how best to protect the community from such offenders The book looks at how the legal definitions of certain offenses have changed over time and then explores a series of real life case studies Readers will discover how some citizens have been targeted and punished for consensual acts including homosexuality polygamy and pornography Additional coverage considers a number of highly controversial laws from residency restrictions to the death penalty and the media s role in fueling public support for them

Sex Offender Laws

Richard Wright, 2009-03-16 This volume of readings provides an excellent source of information about sex offender laws and policies *International Journal of Offender Therapy and Comparative Criminology* Sex Offender Laws is a good source for balanced objective and thorough critique of our current sex offender policies as well as a source for accurate information about a very heterogeneous population The message that sexual abuse is often a multifaceted and complex issue and that policy based on quick fixes or knee jerk reactions do not often work will be informative and enlightening to many readers

Sex Roles This fine book by Richard Wright and his distinguished collaborators provides the evidence that wise policy makers would want to consider It covers every major field of research concerning sex offenders and sexual offenses and provides evidence of bad practices and policies Intellectually honest politicians should read this book Michael Tonry LL B Professor of Law and Public Policy University of Minnesota Law School From the Foreword In response to many high profile cases of sexual assault federal and state governments have placed a number of unique criminal sanctions on sex offenders These include residency restrictions exclusionary zones electronic monitoring and chemical castration However the majority of sex offender policies are not based on empirical evidence nor have they demonstrated any significant reductions in offender recidivism In fact some of these policies have unintended consequences which actually increase the likelihood of sexual offenses In this book Wright critically analyzes existing policies and assesses the most effective approaches in preventing sex offender recidivism This provocative and timely book draws from the fields of criminal justice law forensic psychology and social work to examine how current laws and policies are enacted and what to date is known about their efficacy The team of expert contributors includes Karen Terry author of *Sexual Offenses and Offenders* and others who bring a wealth of insight to the field of sex offense In response to the failed policies of sex offender laws this book presents alternative models and approaches to sex offense laws and policies Wright also explores critical cutting edge topics such as internet sexual solicitation the death penalty and community responses to sex offense

Key Features An introduction and overview of the

history of sex offender laws Analyzes the role of the media in sex offense and sex offender policies Examines the political untouchability of sex offender laws and their adverse effects Features interviews with victims of sexual assault investigating their points of views on what kinds of reforms need to be made to sex offender laws Thought provoking and insightful Sex Offender Laws serves as a vital resource for policy makers researchers and students of criminal justice law and social work

Identifying and Treating Sex Offenders Robert Geffner,2004 Identifying and Treating Sex Offenders Current Approaches Research and Techniques brings you up to date on the latest significant issues and state of the art tools involved in the evaluation and treatment of adult sex offenders Experts in the field discuss controversial topics including diagnoses classification public notification and risk assessment to help psychologists therapists and social workers better understand and work with this specialized population This book also contains accurate information about sex offender statistics and research for policymakers to use in creating policies and legal statutes that successfully deter recidivism in known sex offenders

Criminal & Behavioral Profiling Curt R. Bartol,Anne M. Bartol,2012-08-29 Do your students understand the job of a criminal profiler Yes they see them nightly on tv shows and in the news but do they have a real understanding of how law enforcement can use empirical data to correctly assess behavior and help solve crimes particularly serial crimes Criminal and Behavioral Profiling by well established authors Curt and Anne Bartol presents a realistic and empirically based look at the theory research and practice of modern criminal profiling Designed for use in a variety of criminal justice and psychology courses the book delves into the process of identifying behavioral tendencies geographical locations demographic and biographical descriptors of an offender or offenders and sometimes personality traits based on characteristics of the crime Timely literature and case studies from the rapidly growing international research in criminal profiling help students understand the best practices major pitfalls and psychological concepts that are key to this process

Sex Offender Laws, Second Edition Richard Gordon Wright,2015 Print CourseSmart

Serial Murder and the Psychology of Violent Crimes Richard N. Kocsis,2008-01-08 This book brings together an international collection of research literature on the topics of criminal profiling and serial violent crime by integrating the respected insights of both scholars and practitioners from around the globe It explains etiological factors and psychological mechanisms to reveal criminal motives
