Pale Fire Everymans Library Cloth:

A Printing History of Everyman's Library 1906-1982 Terry Seymour, 2011 The total number of Everyman's Library volumes that still survive somewhere in the world exceeds 70 million Since the inception of the Library in 1906 nearly 1200 unique volumes have been published constantly placing the world's greatest books before a large public A few of these titles proved unpopular and were never reprinted But most were reprinted dozens of times packaged in numerous ways and benefited from updated editorial work and book design over the last century Terry Seymour has studied and researched every aspect of this great mass of books He now captures and distills this knowledge in A Printing History of Everyman's Library 1906-1982 A critical feature of course is to update the various collecting factoids that have emerged since 2005 when his Guide to Collecting Everyman's Library was published The meat of the new book however is the Bibliographical Entries section Each volume that has ever been printed receives its own entry detailing every printing each dust jacket variation any new introductions updated scarcity numbers and all relevant notes Typically an entry contains at least six lines of information but often much more In essence each entry is a story written exclusively about each volume Armed with this resource collectors and booksellers can know reliably everything about the Everyman's Library volume that sits on their shelf or is ready to be purchased or sold They will see how a book fits into the total printing history of that title and be able to describe and value the book with precision To further enhance the value of this book color images illustrate all of the key collecting points An extensive index of editors translators and artists is now included Not just a solo effort the Printing History has been vetted by other expert collectors ensuring greater accuracy and comprehensiveness *The New Criterion*, 1991 **Les Misérables [Everyman's Library]** Victor Hugo, 1909 Desire Dane Mainella, 2012-12-06 every desire Dane Mainella experienced on December 1 2012 Everyman's Library: Fiction, 1930 Darwin: A Companion - With Iconographies By John Van Wyhe Paul Van Helvert, John Van Wyhe, 2021-01-12 This is a book that required a great many research hours the kind of volume you may be glad someone took the time to compile The Quarterly Review of Biology This is the ultimate guide to the life and work of Charles Darwin The result of decades of research through a vast and daunting literature which is hard for beginners and experts alike to navigate it brings together widely scattered facts including very many unknown to even the most ardent Darwin aficionados It includes hundreds of new discoveries and corrections to the existing literature It provides the most complete summaries of his publications manuscripts lifetime itinerary finances personal library friends and colleagues opponents visitors to his home anniversaries hundreds of flora fauna monuments and places named after him and a host of other topics Also included are the most complete lists iconographies ever created of illustrations of the Beagle over 1000 portraits of Darwin his wife and home as well as all known Darwin photographs stamps and caricatures The book is richly illustrated with 350 images most previously unknown Catalog of Reprints in Series Robert Merritt Orton, 1947

The Old Testament Everyman's Library, 2015-04-22 The King James Version of the Bible first published in 1611 has

been the favorite of English readers for centuries This Everyman s Library edition of The Old Testament also contains George Steiner s introduction which reminds us of the literary grandeur uniqueness and centrality of the Bible What you have in hand is not a book It is the book That of course is what Bible means It is the book which not only in Western humanity defines the concept of a text All our other books however different in matter or method relate be it indirectly to this book of books All other books be they histories narrations of the imaginary codes of law moral treatises lyric poems dramatic dialogues theological philosophic meditations are like sparks often to be sure distant tossed by an incessant breath from a central fire In the Western condition but also in other parts of the planet to which the Good Book has been taken the Bible largely informs our historical and social identity No other book is like it all other books are inhabited by the murmur of that distant source Steiner underlines as well our great good fortune in being able to read the Bible which has been translated in whole or in part into more than two thousand languages in the resplendent language of seventeenth century England This is the instrument of Spenser of Shakespeare of Bacon of Donne and the young Milton It encompasses the organblasts of the Queen s rhetoric Sidney s intimacies of desire the lapidary lightness of Ben Jonson and the compaction of the early Metaphysical poets It can command seduce enchant and think aloud as never before or since There could not have been a moment a climate of feeling and general discourse more apt to engender the two foremost constructs in the language Shakespeare and the King James Version *British Books* ,1903 **The Publishers' Trade List Annual** ,1918

When somebody should go to the books stores, search introduction by shop, shelf by shelf, it is essentially problematic. This is why we allow the book compilations in this website. It will enormously ease you to see guide **Pale Fire Everymans Library Cloth** as you such as.
