Palestine And Israel A Challenge To Justice:

Palestine and Israel John B. Quigley, 1990 The dispute over Palestine between the Palestinian Arabs and the Israelis is one of the most volatile and intractable conflicts in the world today Palestine and Israel examines the history of this battle from the perspective of international law and it argues that a long term solution to the conflict must protect legitimate interests to remain viable an element the author believes has so far been seriously neglected This extensively documented work details the complex politics and agonizing struggles that have characterized the clash between Jews and Arabs examining in depth the competing claims to Palestine and the extent to which legitimate interests remain to be fulfilled Beginning with the early Zionist settlement in Palestine that rose from the effort by Jews to escape long standing discrimination in Europe Qigley investigates the origins of the dispute including the British occupation of Palestine the British Mandate and the involvement of the United Nations He examines the 1948 War the establishment of Israel and explores the legal and political status of Jews there After a detailed analysis of the 1967 War and Israel s occupation of the West Bank and Gaza Strip he concludes with recommendations for resolving the conflict including discussions of the responsibility of other states for the persisting injustice the role of other states in settling the dispute and steps to a possible solution

Palestine and Israel John B. Zionism, Palestinian Nationalism and the Law Steven E. Zipperstein, 2021-11-29 During the last decade of the British Mandate for Palestine 1939 1948 Arabs and Jews used the law as a resource to gain leverage against each other and to influence international opinion The parties invoked transformational legal framing to portray the essentially political religious conflict as a legal dispute involving claims of justice injustice and victimisation and giving rise to legal equitable remedies Employing this form of narrative and framing in multiple trials during the first 15 years of the Mandate the parties continued the practice during the last and most crucial decade of the Mandate The term trial provides an appropriate typology for understanding the adversarial proceedings during those years in which judges lawyers witnesses cross examination and legal argumentation played a key role in the conflict The four trials between 1939 and 1947 produced three different outcomes the one state solution in favour of the Palestinian Arabs the no state solution and the two state solution embodied in the United Nations November 1947 partition resolution culminating in Israel s independence in May 1948 This study analyses the role of the law during the last decade of the British Mandate for Palestine making an essential contribution to the literature on lawfare framing and narrative and the Arab Israeli Conflict

The Palestine Yearbook of International Law 1990-1991 Shaw, 1991-06-01 The Palestine Yearbook of International Law is a well established yearbook which was previously published by the Al Shaybani Society of International Law Kluwer Law International will be publishing

the Yearbook from the eighth volume onwards and will also manage the distribution of the previous seven volumes The Palestine Yearbook of International Law has become widely respected as a prime reference source of legal material relating to Palestinian issues and is an important forum for the international legal community particularly for legal practitioners researchers and scholars In addition to leading articles on topical problems and issues it contains key legislation court decisions and other relevant legal material translated from the original Arabic or Hebrew into English The Palestine Yearbook of International Law, 1998-1999 Anis F. Kassim, 2000-03-01 This well established and widely respected Yearbook now in its 10th volume is a primary source of information on significant and topical legal issues relating to the Palestinian territories It provides in a single annual volume not only leading articles on topics of major interest to the international legal community but also key legislation court decisions legal cases treaties resolutions special reports and other relevant legal material translated from the original Arabic or Hebrew into English The 10th volume of the Palestine Yearbook of International Law contains the following features leading articles on the legal issues relating to Israeli settlements in the Occupied Territories and on the peaceful settlement of disputes in Africa and its relevance to the Palestinian Israeli peace process law reports including important judicial decisions legislation and court records a record of significant human rights reports including UN Resolutions and the European Union's Statement on the Peace Process special reports on the Wye River Memorandum and on the Covenant of the Palestine Liberation Organisation a selection of recent book reviews a detailed bibliography of books monographs and articles a comprehensive index This new volume as with its predecessors will be an invaluable source of reference and record on the complex legal issues relating to the Palestinian territories and will be of prime interest to legal practitioners researchers scholars and anyone involved in law politics human rights or international relations who has an interest in this region *The Struggle for Land Under Israeli Law* Hadeel S. Abu Hussein, 2021-11-29 This book provides a comprehensive examination of land law for Arab Palestinians under Israeli law Land is one of the core resources of human existence development and activity Therefore it is also a key basis of political power and of social and economic status Land regimes and planning regulations play a dynamic role in deciding how competing claims over resources will be resolved According to legal geography spatial ordering impacts legal regimes whilst legal rules form social and human space Through the lenses of international law colonisation and legal geography the book examines the land regime in Israel More specifically it endeavours to understand the spatial strategies adopted by Israel to organise the entire territorial expanse of the country as Jewish while also excluding Arab Palestinian citizens of Israel and residents of East Jerusalem from the landscape The book then details how the systematic nature and processes of marginalisation are mapped out across the civil political and socio economic landscape This monograph will be of interest to international legal theorists legal geographers land lawyers and human rights practitioners and students as well as to international scholars NGOs and others focusing on the Israeli Palestinian conflict International Law and the Israeli-Palestinian Conflict Susan M.

Akram, Michael Dumper, Michael Lynk, Iain Scobbie, 2010-12-23 Placing a rights based approach to the Israeli Palestinian conflict at the centre of discussions over its peaceful resolution this book provides detailed consideration of international law and its application to political issues Contributions from leading scholars in their respective fields give an in depth analysis of key issues ranging from security through legal and political frameworks to refugees and Jerusalem *Transitional Justice for Israel/Palestine* Jeremie Bracka, 2022-01-01 This book applies the dynamic field of transitional justice to conflict resolution in Israel Palestine Around the globe diverse societies have pursued truth telling restorative justice and reconciliation to end conflict yet the language of transitional justice has been all but absent in Israel Palestine This volume squarely addresses how transitional justice could contribute to conflict transformation and accountability incorporating the questions of collective justice memory and human rights It covers the most important historical and legal issues facing Israel Palestine with a focus on civil societies in South Africa Northern Ireland and Latin America Ultimately the book proposes an unofficial Israeli Palestinian Truth and Empathy Commission IPTEC to address gross human rights abuses committed by both nations Transitional Justice for Israel Palestine will be of interest to researchers NGOs and policy makers working in transitional justice and societies with ongoing conflict **The Wretched of the Global South** Thamil Venthan

Ananthavinayagan, Amritha Viswanath Shenoy, 2024-03-07 The book aims to discuss and present an alternative epistemology of human rights against the background of the globalization from below The interdependent network of transnational networks ranging from social movements NGOs and other groupings questions the neoliberal paradigm and a particular set of human rights This book wishes to transform this discourse on human rights and amplify the subaltern voices The book also aims to highlight alternative practices of freedom that decenter human rights as a liberation discourse Following Julia Suarez Krabbe in *Race Rights and Rebels* the authors aim to amend to practices of freedom that center different orders of knowledge on subjectivity and agency The proposed book first situates the problem of representation of the marginalized voices in contemporary legal and political discourse Second it offers critiques in theory and third followed by alternative practices that emanate from marginalized localities In particular this book wishes to reflect upon alternatives rooted in legal and non legal responses to address human rights grievances In the end this book envisages along the lines of Frantz Fanon to vision the possibility of the human by a new concept addressing the concerns in various ways As Fanon argued for a new start a new way of thinking and for the creation of a new man it is pertinent to trigger a human rights project from the below p **Humanitarian law of armed conflict challenges ahead** Astrid J. Delissen, Gerard J. Tanja, 2024-09-02 The collection of essays is entitled *Challenges Ahead* An ambitious title but an appropriate one for the contributors as the 21st century draws near ask themselves a number of basic questions about the future of the law in a world undergoing such profound changes Their reflections will certainly give both cause for hope and reason to fear This *Liber Amicorum* dedicated to Professor Frits Kalshoven is written by specialists who for many years have given their best to the development and

promotion of humanitarian law It will make a significant contribution to the understanding of international humanitarian law
