Public Opinion Conducting Empirical Analysis:

Public Opinion: Democratic Ideals, Democratic Practice Rosalee A. Clawson, Zoe M. Oxley, 2013 In this revision to their lauded core text Clawson and Oxley continue to link the enduring normative questions of democratic theory to existing empirical research on public opinion Exploring the tension between ideals and their practice each chapter focuses on exemplary studies so students gain a richer understanding of the research process and see methods applied in context

iPolitics Richard L. Fox, Jennifer M. Ramos, 2012 Politicians rely on Twitter Facebook and YouTube to exercise political power Citizens around the world also use these tools to vent political frustrations join political groups and organize revolutions Political activists blog to promote candidates solicit and coordinate financial contributions and provide opportunities for volunteers iPolitics describes the ways in which new media innovations change how politicians and citizens engage the political arena Among other things contributors to this volume analyze whether the public's political knowledge has increased or decreased in the new media era the role television still plays in the information universe the effect bloggers have had on the debate and outcome of healthcare reform and the manner in which political leaders should navigate the new media environment While the majority of contributors examine new media and politics in the United States the volume also provides a unique comparative perspective on this relationship using cases from abroad *The Hillary Effect: Perspectives on Clinton's Legacy* Ivy A.M. Cargile, Denise S. Davis, Jennifer L. Merolla, Rachel VanSickle-Ward, 2020-06-25 This volume of over thirty essays is organised around five primary dimensions of Hillary Clinton's influence policy activism campaigns women's ambition and impact on parents and their children Combining personal narrative with scholarly expertise in political science this volume looks at American politics through the career of Hillary Clinton in order to illuminate overarching trends related to elections gender and public policy Featuring an extraordinarily varied list of contributors working within the field of political science and a fresh interdisciplinary approach this book will appeal to broad range of politically engaged audiences practitioners and scholars *Die Reformierbarkeit der Demokratie* Renate Mayntz, Wolfgang Streeck, 2003

Comparative Public Opinion Cameron D. Anderson, Mathieu Turgeon, 2022-07-22 This book presents a comprehensive examination of public opinion in the democratic world Built around chapters that highlight key explanatory frameworks used in understanding public opinion the book presents a coherent study of the subject in a comparative perspective emphasizing and interrogating immigration as a key issue of high concern to most mass publics in the democratic world Key features of the book include Covers several theoretical issues and determinants of opinion such as the effects of personality age and life cycle ideology social class partisanship gender religion ethnicity language and media highlighting over time the effects of political social and economic contexts Each chapter explores the theoretical rationale mechanisms of effect and use in the scholarly literature on public opinion before applying these to the issue of immigration comparatively and in specific places or regions Widely comparative using a nine country sample Australia Canada France Germany Italy Portugal Switzerland the

United Kingdom and the United States of America in the analysis of individual level determinants of public opinion about immigration and extending to other countries like Belgium Brazil and Japan when evaluating contextual factors This edited volume will be essential reading for students scholars and practitioners interested in public opinion political behaviour voting behaviour politics of the media immigration political communication and more generally democracy and comparative politics

Teaching Undergraduate Political Methodology Brown, Mitchell,Nordyke, Shane,Thies, Cameron G.,2022-08-12

Providing expert advice from established scholars in the field of political science this engaging book imparts informative guidance on teaching research methods across the undergraduate curriculum Written in a concise yet comprehensive style it illustrates practical and conceptual advice alongside more detailed chapters focussing on the different aspects of teaching political methodology

Public Opinion, Crime, And Criminal Justice Julian Roberts,2018-10-08 Taking on one of the most popular issues of the day crime and the way we make sense of it Julian Roberts and Loretta Stalans reveal the mismatch between the public perception of crime and the reality of crime statistics Discussing such issues as public knowledge of crime sources of crime information information processing by the public public attitudes about crime and the effectiveness of punishment this book considers the role that public opinion plays in the politics of criminal justice issues Based on extensive data from the United States with comparisons with Canada and the United Kingdom Roberts and Stalans reveal the truth behind how the public perceives crime and how this perception compares to actual criminal activity

Public Opinion on Economic Globalization Roger White,2017-09-19 This book examines survey data to consider the extent to which public support for immigration international trade and foreign direct investment exists in a cohort of 38 heterogeneous countries With economic globalization shaping daily life understanding the determinants of public opinion is crucial for policy makers This timely volume uses survey data from the Pew Research Center s 2006 2014 Global Attitudes Project GAP in conjunction with data from several secondary sources White identifies the factors that underlie the reluctance of some members of the public and some societies to view these topics in a more positive light Specifically he considers the roles of culture cultural differences cultural distance and relative social and economic development as determinants of public opinion and corresponding cross societal differences of opinion

Women as Political Leaders Michael A. Genovese,Janie S.

Steckenrider,2013-09-02 Over the past several years the fields of Leadership Studies and of Women s Studies have grown tremendously This book which is a series of case studies of women who have headed governments across the globe will discuss the conditions and situations under which women rose to power and give a brief biography of each woman A special chapter on why no U S woman has risen to the top and a review of the political campaigns of Hillary Clinton Michele Bachmann and others will be included This book will be of interest for courses in women and leadership global politics and gender studies

The Death Penalty in Japan Mai Sato,2013-10-30 This book examines public attitudes to the death penalty in Japan focusing on knowledge and trust based attitudinal factors relating to support for and opposition to the death

penalty A mixed method approach was used Quantitative and qualitative surveys were mounted to assess Japanese death penalty attitudes The main findings show that death penalty attitudes are not fixed but fluid Information has a significant impact on reducing support for the death penalty while retributive attitudes are associated with support This book offers a new conceptual framework in understanding the death penalty without relying on the usual human rights approach which can be widely applied not just to Japan but to other retentionist countries
