Pulling Strings Peter Stringer:

Pulling the Strings Peter Stringer, 2015-10-01 The long awaited autobiography of Ireland's most beloved rugby player Peter Stringer. When Peter Stringer played youth rugby he was so small that people told his parents he shouldn't be allowed on the pitch. Fortunately for Munster and for Ireland they paid no attention. Over 200 provincial caps and 98 international caps later Stringer is a legend. Since making his Munster debut in 1998 his lightning quick passing, sniping breaks and brave defending have electrified fans never more so than when he deceived the entire Biarritz team at a scrum to sneak in for the try that brought Munster its first Heineken Cup in 2006. In Ireland's breakthrough season of 2009 his man of the match performance at Murrayfield helped overturn a late deficit en route to the Six Nations Grand Slam. Now for the first time Peter Stringer tells his own story, a story of overcoming the odds and a story every Irish rugby fan will want to read. What gives the publication its grit is the scrum-half's no-holds-barred descriptions of fallings out with various coaches. All revelatory stuff.

Liam Heagney Irish Daily Mail *In the Line of Fire* Warren Gatland, 2017-11-09 Draw is an inadequate way to describe what the Lions did here. They stopped one point short of a miracle. Daily Telegraph Warren Gatland's *In the Line of Fire* is the ultimate chronicle of this summer's remarkable Lions tour to New Zealand, home of the fearsome All Blacks, the double world champions which culminated in an historic and nerve-shredding series draw. The book is the Head Coach's candid record of the perspiration and inspiration, the withering ferocity and the turbulent peaks and troughs which go hand in hand with one of sport's toughest challenges. It gives rugby fans an unparalleled front row seat with the squad and coaching team during every facet of preparing for and executing a successful tour on the opposite side of the planet, recounting intriguing details on everything from pre-tour planning and strategy to on-tour experiences, analysis and decision making. It all adds up to a thrillingly definitive exposition and post-mortem of a mind-blowing six weeks in the cauldron which forged the mighty All Blacks.

Front Up, Rise Up Gerry Thornley, 2016-11-03 *Front Up, Rise Up* is the story of Connacht's remarkable journey to becoming the 2016 Pro12 champions. The story goes inside the dressing room, takes in their unscheduled week-long bonding trek to Siberia and back for a European Challenge Cup game and all the key twists and turns along the way. It brings us the characters in this Band of Brothers from the locals such as captain John Muldoon from Portumna to their iconic fans favourite Bunde Aki who like their talismanic coach Pat Lam is a Kiwi from Auckland of Samoan descent and their Nigerian-born and Dublin-raised match winner Niyi Adeolokun. The story takes in the province's troubled professional history which had them on the brink of extinction as a professional entity in 2003 and led to Connacht and their supporters marching to the IRFU offices in a successful bid to keep them afloat. It covers their dethroning of the champions Glasgow in the Sportsground in Galway and their stunning performance in the final against Leinster in Edinburgh. In more than two decades of professional rugby there has been no story quite like it.
