Puritanism A Very Short Introduction

Francis J. Bremer

Puritanism A Very Short Introduction:

Puritanism Francis J. Bremer, 2009-07-24 Written by a leading expert on the Puritans this brief informative volume offers a wealth of background on this key religious movement This book traces the shaping triumph and decline of the Puritan world while also examining the role of religion in the shaping of American society and the role of the Puritan legacy in American history

Puritanism: A Very Short Introduction Francis J. Bremer, 2009-07-24 Written by a leading expert on the Puritans this brief informative volume offers a wealth of background on this key religious movement This book traces the shaping triumph and decline of the Puritan world while also examining the role of religion in the shaping of American society and the role of the Puritan legacy in American history Francis J Bremer discusses the rise of Puritanism in the English Reformation the struggle of the reformers to purge what they viewed as the corruptions of Roman Catholicism from the Elizabethan church and the struggle with the Stuart monarchs that led to a brief Puritan triumph under Oliver Cromwell It also examines the effort of Puritans who left England to establish a godly kingdom in America Bremer examines puritan theology views on family and community their beliefs about the proper relationship between religion and public life the limits of toleration the balance between individual rights and one's obligation to others and the extent to which public character should be shaped by private religious belief About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life's most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam

Ore from the Puritans' Mine Dale Smith, 2020-11-20 Ore from the Puritans Mine is the go to collection of quotes from the English Puritans

One Small Candle Francis J. Bremer, 2020-07-30 Four hundred years ago a group of men and women who had challenged the religious establishment of early seventeenth century England and struggled as refugees in the Netherlands risked everything to build a new community in America The story of those who journeyed across the Atlantic on the Mayflower has been retold many times but the faith and religious practices of these settlers has frequently been neglected or misunderstood In One Small Candle Francis J Bremer focuses on the role of religion in the settlement of the Plymouth Colony and how those values influenced political intellectual and cultural aspects of New England life a hundred and fifty years before the American Revolution He traces the Puritans persecution in early seventeenth century England for challenging the established national church and the difficulties they faced as refugees in the Netherlands in the 1610s As they planted a colony in America this group of puritan congregationalists was driven by the belief that ordinary men and women should play the deciding role in governing church affairs Their commitment to lay empowerment and participatory democracy was reflected in congregational church covenants and inspired the earliest political forms of the region including the Mayflower Compact and local New England town meetings Their rejection of individual greed and focus on community Bremer argues defined the culture of English colonization in early North America A

timely narrative of the people who founded the Plymouth Colony One Small Candle casts new light on the role of religion in the shaping of the United States *An Investigation of the Seventeenth- to Nineteenth-Century Puritan Vernacular Tradition* Douglas T. Root, 2020-07-15 An Investigation of the 16th 18th Century Puritan Vernacular Tradition argues that Puritan writers specifically from the 17th to the 19th century developed a collective vernacular which was intended to in the words of John Milton justify the ways of God to man However their phrases much like the Puritans themselves never achieved a sufficient level of uniformity As a result their verbiage though quite often similar the manner in which it is used frequently differs Puritan authors routine suggestion that certain circumstances pleased God began as an attempt with which to interpret God s involvement in their day to day lives However as time passed these interpretations became further removed from the Scripture and ultimately functioned as a way for writers to indict God when things badly or to praise him only when he showed them favor *Lay Empowerment and the Development of Puritanism* Francis Bremer, 2016-01-12 A study of the rise and decline of puritanism in England and New England that focuses on the role of godly men and women It explores the role of family devotions lay conferences prophesying and other means by which the laity influenced puritan belief and practice and the efforts of the clergy to reduce lay power in the seventeenth century *The Peril and Promise of Christian Liberty* Littlejohn, W. Bradford, 2017 What happens when Christians must obey God rather than human authorities In this book W Bradford Littlejohn addresses that question as he unpacks the magisterial political theological work of Richard Hooker a leading figure in the sixteenth century English Reformation through the lens of Christian liberty Book jacket

The Foundation of Joy Jeff Strickland, 2025-04-21 The Puritans have been depicted as killjoys whose teachings on assurance of salvation and self examination bred anxiety and despair But is that really the case In *The Foundation of Joy* Jeff Strickland investigates the link between John Flavel s understanding of assurance and his pursuit of joy After explaining Flavel s approach to assurance and how it actually provides a foundation for joy Strickland demonstrates how Flavel expresses these in the key areas of looking to Christ discerning the Spirit obeying the law keeping the heart and carrying the cross Joy is the hallmark of Flavel s spirituality a fine example of what it means to cultivate a cheerfulness of heart founded on a sense of one s interest in Christ *Unity in Diversity* Randall J. Pederson, 2014-08-14 *Unity in Diversity* presents a fresh appraisal of the vibrant and diverse culture of Stuart Puritanism provides a historiographical and historical survey of current issues within Puritanism critiques notions of Puritanisms which tend to fragment the phenomenon and introduces unitas within diversitas within three divergent Puritans John Downname Francis Rous and Tobias Crisp This study draws on insights from these three figures to propose that seventeenth century English Puritanism should be thought of both in terms of Familien hnlichkeit in which there are strong theological and social semblances across Puritans of divergent persuasions and in terms of the greater narrative of the Puritan Reformation which united Puritans in their quest to reform their church and society **Encyclopedia of Christianity in the United States** George Thomas Kurian, Mark A. Lamport, 2016-11-10 From

the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation
