Pwc Hong Kong Tax Guide:

Guide to Global Real Estate Investment Trusts Stefano Simontacchi, Ilona McElroy, Rosaleen Carey, 2022-09-19 The global listed property sector has been characterized by a variety of noteworthy developments in recent times the proliferation of real estate investment trust type structures in countries around the world key among them Despite an uncertain economic environment REITs have proven their ability to promote institutional real estate investments in global financial markets This highly practical book features a comprehensive analysis of both the legal and tax underpinnings of REIT friendly legislation in a variety of the world s most significant jurisdictions With regard to the legal framework the structure and functioning of a REIT are carefully investigated and explained In terms of tax issues the book focuses on such key issues as REIT formation operation and liquidation mergers acquisitions and dispositions and planning for public and private REIT offerings and re securitizations REITs are inherently complex and their interplay with tax treaties further compounds the complexity This highly accessible yet authoritative work is the perfect decision making tool for any professional looking for perspective and guidance on the challenges and opportunities REITs engender **Guide to International Transfer Pricing** Dr A. Michael Heimert, T.J. Michaelson, 2018-10-26 The pricing of goods services intangible property and financial instruments within a multi divisional organization particularly in regard to cross border transactions has emerged as one of the most contentious areas of international tax law This is due in no small measure to the rise of transfer pricing regulations as governments seek to stem the flow of their tax revenue from their jurisdictions This thoroughly practical work provides guidance on an array of critical transfer pricing issues The guide s relevance is further enhanced by the inclusion of country chapters covering domestic transfer pricing issues in a variety of key national jurisdictions **OECD Environmental Performance Reviews OECD Green Growth Policy Review of Indonesia 2019** OECD, 2019-07-10 This is the first Green Growth Policy Review of Indonesia It examines progress towards sustainable development and green growth with a special emphasis on the nexus of land use ecosystems and climate change *Doing Business and Investing in Hong Kong*, 2001 **Cities in a World Economy** Saskia Sassen, 2018-05-30 Cities in a World Economy examines the emergence of global cities as a new social formation As sites of rapid and widespread developments in the areas of finance information and people global cities lie at the core of the major processes of globalization The book features a cross disciplinary approach to urban sociology using global examples and discusses the impact of global processes on the social structure of cities The Fifth Edition reflects the most current data available and explores recent debates such as the role of cities in mitigating environmental problems the global refugee crisis Brexit and the rise of Donald Trump in the United States *Advance Pricing Agreements* Michelle Markham, 2012-06-28 Transfer pricing the pricing of cross border intra firm transactions between related parties is now the top international tax issue faced by multinational enterprises In an international taxation environment characterized by rigorous enforcement of transfer pricing documentation disclosure and

audit processes a need has arisen for multinationals to be cognizant of the impact of their tax risk appetite on their relationship with taxation authorities and to be aware of how best to manage their transfer pricing arrangements The most promising development has been the growing commitment to Advance Pricing Agreements APAs arrangements made prospectively between a multinational taxpayer and one or more revenue authorities agreeing on an appropriate set of criteria for the determination of the transfer pricing of the covered transactions over a period of time This is the first book to offer expert insights on APAs from a practical perspective By focusing on the United States and Australia the two countries that were at the forefront of adopting APAs and whose wealth of experience over two decades confirms their APA programs as the global paradigms the author is able to highlight the advantages and disadvantages of pursuing an APA and to shed light on the powerful efficacy of this strategy for avoiding transfer pricing disputes In addition the author enlists the views of revenue authorities transfer pricing practitioners and corporate counsel who deal with the realities of transfer pricing assessment and compliance on an ongoing basis offering acute insight into how APAs really work in a practical way This book contributes to the body of knowledge on APAs in the context of transfer pricing by providing in depth scrutiny of the most important issues surrounding this critical area and by examining innovations in APAs in the United States and in Australia Its unmatched coverage will be welcomed by tax experts at law firms and multinational companies as well as by revenue officials policymakers and scholars and researchers in international taxation
