**A God Among Thieves** Jackson Lear, 2017-04-22 What if you held a secret that would turn the tide of war away from the enemy and onto you? When Kes is found stumbling through the desert on the verge of death, she's given a second chance at life but at a cost: she must prove that the secret she holds is real. With a jaded war hero, an escaped slave, and a crack shot by her side, Kes must sneak back into the lands that nearly killed her before and face a god-like menace who has anticipated her return. Win or lose, the foursome will be branded as traitors. Their home will fall to ash and ruins, and everyone they've ever known will perish. Their only hope rests on the word of a thief who has set out to rescue an enemy who deserves to die.

Surrender is the key to revival, which is the key to spreading the gospel. Catt has witnessed the fruits of these disciplines at his congregation firsthand. We are now seeing people walk through the baptismal waters. People are being saved. Members are inviting their lost friends and unchurched neighbors. Attendance shot up. Why? Revival produces evangelism. **Rise of the Truth Teller** Ashley

Abercrombie,2019-10-01 We are experts at hiding from each other We withhold the truth pretend we re okay and perform at great personal cost In fact many of us are so good at lying to others about how we re just fine thank you that we don t even realize anymore that we re lying to ourselves We re missing the opportunity to offer our true selves to the world around us to say what needs to be said and do what needs to be done and to live with grace and gumption If you re tired of smiling on the outside while you are broken and battered on the inside Ashley Abercrombie has a message for you it s okay to tell the truth about yourself and what you ve been through In being brutally honest about her own struggle to overcome addiction rape abortion perfectionism and dysfunctional relationships she helps you break the silence on your own pain and shame in order to find healing encouragement and ultimately acceptance You ll learn to listen to your gut courageously own your story no matter how messy and release those around you to do the same
