Transnationalism and Society Michael C. Howard, 2014-01-10 In the past as in the present transnationalism has played a vital role in the development of wealth technology and art in all societies touched by cultures other than their own This timely book provides an introduction to the social and cultural aspects of transnationalism particularly focusing on the modern world since 1500 with an emphasis on the past 200 years Topics covered include the role of migration the development of cities the effect of transnationalism on marriage and families the presence of transnational corporations dress religion and art A key text for understanding our increasingly transnational world Instructors considering this book for use in a course may request an examination copy here

The Construction of Reality Michael A. Arbib, Mary B. Hesse, 1986-11-28 This book presents an integrated account of how humans construct reality through interaction with the social and physical world around them

Talcott Parsons on National Socialism Uta Gerhardt, During the years between the publication of the first of his two major works *The Structure of Social Action* 1937 and the writing of his second *The Social System* 1951 Talcott Parsons was primarily engaged in political activity through the Office of Strategic Services in its efforts to bring about the defeat of the Third Reich and to set the stage for a democratic reconstruction of postwar Germany Beyond Parsons analytic skills the essays reveal a dedicated liberal scholar far removed from the stereotypes with which he came to be pilloried by later critics The essays in this collection are the by products of that special period of intense commitment They reflect a single dominant theme National Socialist Germany is seen as a tragically flawed social system but one requiring the same rigorous analysis Parsons brought to more normal and normative systems Since virulent authoritarianism and even more virulent anti-Semitism were the dominant traits of that system as he saw it Parsons dedicated many pages to each aspect While he did not know the full horror of the Nazi war against the Jews he was able to develop a theoretical framework that continues to be a foundation stone for the analysis of national socialism Gerhardt's editorial labors in the Parsons archive at Harvard have yielded nothing less than a new book by the foremost American sociological theorist of his time This collection of both published and unpublished writings conveys Parsons' cohesive intent To these otherwise fugitive and neglected essays Gerhardt contributes an introductory essay of her own in part biography in part intellectual and social history She discovered Parsons' work on National Socialism while studying his sociology of the professions and his use of medical practice to demonstrate how social science could become an antidote for fascism and authoritarianism Uta Gerhardt is director of the Medical Sociology Unit at Justus Liebig University Giessen She has taught sociology at the Free University of Berlin the University of Konstanz the University of California at Berkeley the San Francisco Medical School the University of London and the University of Wisconsin at Madison The present volume comes out of her sabbatical year as Research Affiliate of the Mindes de Gunzburg Center for European Studies of Harvard University

Terrier Town David Menary, 2006-01-01 Debate still rages on about who invented baseball But one thing is certain it was alive and fractious in southwestern Ontario in the summer of 1949 It was a remarkable summer For Charlie Hodge just finishing his last year of high school the summer of 1949 begins with great fanfare and excitement He has made the Galt Terriers roster and will be riding the bench with a star studded team many of whom had played with the major leagues When those seasoned pros arrive in town big things are expected and they don t disappoint There is the towering home run that Goody Rosen hits into the Grand River the frozen baseball scheme that backfires and the busload of promotional cooking oil hijacked just before game time It all comes down to Game 7 in the Terriers semi final series with the Brantford Red Sox when a convicted gambler playing centre field that night makes one of the most controversial plays ever seen at Dickson Park Based on exhaustive research and extensive interviews David Menary recreates that post war season in Terrier Town through the eyes of Charlie Hodge While Charlie is a fictional character the other players are not This is a story that will resonate with young and old alike baseball fans or not This is a team that became a vital part of the town and the

town an elemental part of the team This is a time rapidly fading from memory a summer of myths and legends This is a story of how life could be in the small southwestern town of Galt And all this is our heritage *Organizations in the Face of Crisis* Dennis W. Tafoya,2013-03-20 *Organizations in the Face of Crisis* offers a new approach to the treatment of threats to an organization the brand and the stakeholders Case studies and diagnostic tools are used to demonstrate the effects of a crisis and to provide insight and strategies on managing the crisis at hand as well as the long term effects RVP - The Biography of Robin Van Persie Andy Lloyd-Williams,2013-09-27 In the summer of 2012 Robin Van Persie or RVP as he is affectionately known by his fans made the controversial move from Arsenal to Manchester United As one of the Premier League s most lethal strikers he became the Gunners eighth alltime top scorer with 132 goals taking on the captain s armband in the process But on 15 August 2012 Arsenal shockingly announced they would be selling RVP to Manchester United for 24 million Needing to win the hearts of his new fans over it was important the Dutch striker got off to a flying start which he duly did scoring with his very first shot for the club against Fulham and then bagging a hat trick against Southampton a week later Despite his exceptional first season with United RVP still commands respect amongst Gunners fans and indeed around the globe especially in his home country of the Netherlands as his incredible footballing prowess overcomes fierce club loyalties Part of the Dutch side who were runners up in the World Cup in 2010 and with over 70 appearances for his country Robin Van Persie is one of the modern footballing greats This is his incredible story **Students, Society and Politics in Imperial Germany** Konrad H. Jarausch,2014-07-14 Konrad H Jarausch studies the social structure of the German university and the mentality of its students during the Imperial period as an example of a wider European academic desertion of liberalism He finds that German higher education combined scientific world leadership and competent professional training with an eroding liberal education Bildung to create an educated class that was tragically susceptible to the appeal of the Third Reich Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
