Shawn O'Bryhim

Ritual Texts For The Afterlife Orpheus And The Bacchic Gold Tablets:

Ritual Texts for the Afterlife Fritz Graf, Sarah Johnston, Sarah Iles Johnston, 2013-07-04 Fascinating texts written on small gold tablets that were deposited in graves provide a unique source of information about what some Greeks and Romans believed regarding the fate that awaited them after death and how they could influence it These texts dating from the late fifth century BCE to the second century CE have been part of the scholarly debate on ancient afterlife beliefs since the end of the nineteenth century Recent finds and analysis of the texts have reshaped our understanding of their purpose and of the perceived afterlife The tablets belonged to those who had been initiated into the mysteries of Dionysus Bacchius and relied heavily upon myths narrated in poems ascribed to the mythical singer Orpheus After providing the Greek text and a translation of all the available tablets the authors analyze their role in the mysteries of Dionysus and present an outline of the myths concerning the origins of humanity and of the sacred texts that the Greeks ascribed to Orpheus Related ancient texts are also appended in English translations Providing the first book length edition and discussion of these enigmatic texts in English and their first English translation this book is essential to the study of ancient Greek religion *Ritual Texts for the Afterlife* , 2007-06-11 First Published in 2007 Routledge is an imprint of Taylor Francis an informa company **The 'Orphic' Gold Tablets and Greek Religion** Radcliffe G. Edmonds (III), 2011-01-06 Examines new methodologies used in the study of these tablets Includes an updated edition and translation of the tablet texts *The Afterlife in Early Christian Carthage* Stephen E. Potthoff, 2016-12-01 The Afterlife in Early Christian Carthage explores how the visionary experiences of early Christian martyrs shaped and informed early Christian ancestor cult and the construction of the cemetery as paradise Taking the early Christian cemeteries in Carthage as a case study the volume broadens our understanding of the historical and cultural origins of the early Christian cult of the saints and highlights the often divergent views about the dead and post mortem realms expressed by the church fathers and in graveside ritual and the material culture of the cemetery This fascinating study is a key resource for students of late antique and early Christian culture *Death and the Maiden* Brigid Burke, 2019-05-01 America was certainly the big winner of World War II being the last major country intact Euphoria hubris and a naive self confidence became hallmarks of the people This hubris was dented a bit in the 1950s when scandals erupted around the TV quiz shows that made everyone feel so smart and the U 2 spy incident of 1960 that revealed Americans were being lied to by the government The book argues that these two events began the credibility gap that engulfed the nation later in the 1960s and continues to haunt us to this day When the War ended the United States still had its economy infrastructure and industry intact Taking up where the British Empire left off the powerful new America expanded its influence around the globe Suddenly light years ahead of any competitor Americans abandoned themselves to a haze of consumerism and entertainment trusting that they were safe and could not be harmed The contestants on the big money quiz shows turned out to be fakes and the respected TV executives were also revealed to be liars and cheats Far worse was yet to

come The United States government was caught in a lie regarding the CIA's U 2 reconnaissance planes overflying the Soviet Union On the eve of a crucial summit meeting in 1960 the USSR knocked Gary Powers out of the sky along with plenty of incriminating hardware and data Moscow delayed revealing what it knew and Washington spent ten days denying it was a spy plane then denying that President Eisenhower was aware of it The world was turning into a very scary place and soon American schoolchildren were being taught to duck under their desks if a bomb should strike Fear began to percolate into the heart of the nation

The Astrological World of Jung's 'Liber Novus' Liz Greene, 2018-02-21 C G Jung's The Red Book Liber Novus published posthumously in 2009 explores Jung's own journey from an inner state of alienation and depression to the restoration of his soul as well as offering a prophetic narrative of the collective human psyche as it journeys from unconsciousness to a greater awareness of its own inner dichotomy of good and evil Jung utilised astrological symbols throughout to help him comprehend the personal as well as universal meanings of his visions In The Astrological World of Jung's Liber Novus Liz Greene explores the planetary journey Jung portrayed in this remarkable work and investigates the ways in which he used astrological images and themes as an interpretive lens to help him understand the nature of his visions and the deeper psychological meaning behind them Greene's analysis includes a number of mythic and archetypal elements including the stories of Salome Siegfried and Elijah and demonstrates that astrology as Jung understood and worked with it is unquestionably one of the most important foundation stones of analytical psychology and an essential part of understanding his legacy This unique study will appeal to analytical psychologists and Jungian psychotherapists students and academics of Jungian and post Jungian theory the history of psychology archetypal thought mythology and folklore the history of New Age movements esotericism and psychological astrology

Redefining Dionysos Alberto Bernabé, Miguel Herrero de Jáuregui, Ana Isabel Jiménez San Cristóbal, Raquel Martín Hernández, 2013-06-26 This book contributes to the understanding of Dionysos the Greek god of wine dancing theatre and ecstasy by putting together 30 studies of classical scholars They combine the analysis of specific instances of particular dimensions of the god in cult myth literature and iconography with general visions of Dionysos in antiquity and modern times Only from the combination of different perspectives can we grasp the complex personality of Dionysos and the forms of his presence in different cults literary genres and artistic forms from Mycenaean times to late antiquity The ways in which Dionysos was experienced may vary in each author each cult and each genre in which this god is involved Therefore instead of offering a new all encompassing theory that would immediately become partial the book narrows the focus on specific aspects of the god Redefinition does not mean finding again the essence of the god but obtaining a more nuanced knowledge of the ways he was experienced and conceived in antiquity

In Stone and Story Bruce W. Longenecker, 2020-02-18 This beautifully designed full color textbook introduces the Roman background of the New Testament by immersing students in the life and culture of the thriving first century towns of Pompeii and Herculaneum which act as showpieces of the world into which the early Christian movement

was spreading Bruce Longenecker a leading scholar of the ancient world of the New Testament discusses first century artifacts in relation to the life stories of people from the Roman world The book includes discussion questions maps and 175 color photographs Additional resources are available through Textbook eSources **The Shape of the Soul** Paul

Marshall,2019-03-18 An essential read for any true seeker Eben Alexander MD Neurosurgeon author of Proof of Heaven and Living in a Mindful Universe When Paul Marshall began to pay attention to his dreams he could not have anticipated the transformative experience that would follow A tremendous expansion of consciousness exposed the insignificance of his everyday self but also revealed unsuspected depths of mind and hinted at a deeper self that holds the universe within In The Shape of the Soul Marshall now a mysticism scholar draws on personal experiences along with a wealth of religious philosophical and scientific ideas to explore this deeper self sometimes experienced in mystical and near death states as spherical in form Drawing inspiration from the philosophers Plotinus and Leibniz Marshall takes mind to be more fundamental than matter and views the basic units of nature as perceptual beings We ourselves are such beings striving for fulfilment in a long evolutionary journey of soul making Bringing together mysticism philosophy biology and even some physics The Shape of the Soul offers a deeply integrated vision of the self and the universe Addressing the mind body problem the origin of the world evolution reincarnation suffering and the nature of God Marshall delivers what will surely prove an intellectual classic **A Student's Commentary on Ovid's Metamorphoses, Book 10** Shawn

O'Bryhim,2021-07-12 Discover a holistic perspective on Ovid s Metamorphoses Book 10 with this insightful resource In A Student s Commentary on Ovid s Metamorphoses Book 10 Shawn O Bryhim offers an insightful and concise examination of the literary grammatical and textual matters integral to Book 10 of Ovid s Metamorphoses Expanding the scope of more traditional textbooks on Book 10 the author explores the archaeological religious and cultural elements of the work as it relates to Greece Rome and the Near East Readers will benefit from the inclusion of A multidisciplinary approach that examines the religious archaeological and cultural background of Ovid s myths A Near Eastern perspective on the material which will allow a deeper understanding of the subject matter An exploration of the grammatical and literary components that characterize Book 10 Intended primarily for undergraduates in advanced Latin courses on Ovid A Student s Commentary on Ovid s Metamorphoses Book 10 will also earn a place in the library of anyone who desires a broader approach to the study of Book 10 of the Metamorphoses

Ritual Texts For The Afterlife Orpheus And The Bacchic Gold Tablets Book Review: Unveiling the Magic of Language
