through such places as Piedmont and Chastain Parks which aside from the polluted water are beautiful even bucolic Other stretches of creek like those draining Midtown and Atlantic Station are channeled into massive culverts and choked with discarded waste from the city One day floating past the Bobby Jones Golf Course he surprises a golfer searching for his stray ball along the creek bank another he spends talking to a homeless man living under a bridge near Buckhead Kaufman reveals fascinating aspects of Atlanta by examining how Peachtree Creek shaped and was shaped by the history of the area Street names like Moore s Mill Road and Howell Mill Road take on new meaning He explains the dynamics of water run off that cause the creek to go from a trickle to a torrent in a matter of hours Kaufman asks how a waterway that was once people s source of water power and livelihood became at its worst an open sewer and flooding hazard Portraying some of our worst mishandling of the environment Kaufman suggests ways to a more sustainable stewardship of Peachtree Creek
