the first this second edition is not intended as introductory textbook command driven Boolean searching It is targeted at
online searchers who already have some knowledge of command languages and may be proficient searchers on databases in
one or two subject areas but when required to venture into new and less familiar territory still need guidance It is also
offered to end users who possess the subject expertise but lack of information retrieval know how The Manual is offered as a
guide to database selection and a navigational aid through the twists and turns of the retrieval maze at least some of the
dead ends and backtracking may thereby be avoided This volume written by experts in their various fields deals with the
subject coverage and record structures of specific databases offers comparisons between databases context indexing
procedures updating policies etc discusses the choice between online and CD ROM sources and between hosts if online is
selected and illustrates strategies with numerous search extracts **TV & Video Engineer's Reference Book** K G

Advances in cancer diagnosis and the introduction of new cancer treatments have dramatically improved survival rates So
currently it s the need of the hour to think well beyond the cure to the future quality of life of these cancer survivors A cancer
diagnosis is a devastating situation for young cancer patients and their families Cancer and its therapy have a detrimental
effect on fertility Fertility preservation has now become a new paradigm in survivorship It has been well documented that
cancer and cancer treatment resulting in infertility is psychologically distressing for many patients but those who have
undergone fertility preservation have coped better with cancer therapies This book is our effort to give an overview of
fertility preservation in detail which will help to bridge the gap between the Oncology and Fertility Team and to develop well
coordinated easily accessible referral pathways for cancer patients of reproductive age group **The Athenæum** ,1841
