Romano,2012-10-26 Ending a toxic relationship can sometimes make us feel like we are going insane Because we are so enmeshed with the other person we feel nothing but fear doubt confusion shame and even guilt when we consider terminating the relationship Although we can hear a little voice inside our heads urging us to move forward all too often our worries overwhelm us and cause us to stay stuck We no longer know whose thoughts or feelings are in our heads All we can feel is fear If you are contemplating ending a relationship you know in your heart must end but are struggling with crippling negative emotions Lisa s story is just the right dose of inspiration you will need as you begin facing your new roads ahead No stranger to heartache Lisa bravely ended her dysfunctional marriage and took her three small children with her With nothing to cling to but hope Lisa courageously learned to navigate her way through unknown terrains and eventually found the will to even love again
