Copyright Office, 1943 Proceedings of the Parliament of South Australia South Australia. Parliament, 1945 United States Army in World War II, 1954 **The Great Persuasion** Angus Burgin, 2012-10-30 Just as economists struggle today to justify the free market after the global economic crisis an earlier generation revisited their worldview after the Great Depression In this intellectual history of that project Burgin traces the evolution of postwar economic thought in order to reconsider the most basic assumptions of a market centered world *Leyte* M. Hamlin Cannon, 1954 With the Leyte Campaign the War in the Pacific entered a decisive stage The period of limited offensives bypassing and island hopping was virtually over American troops in greater numbers than ever before assembled in the Pacific Theater supported by naval and air forces of corresponding size fought and overcame Japanese forces of greater magnitude than any previously met Though the spotlight is on the front line fighting the reader will find in this volume a faithful description of all arms and services performing their missions The account is not exclusively an infantry story It covers as well the support of ground fighting on Leyte by large scale naval operations and by land based air power under the most adverse conditions In addition careful attention to logistical matters such as the movement of supplies and the evacuation of the wounded gives the reader a picture of the less spectacular activities of an army in battle *The Minute Man*, 1943 *From Salisbury to Major* Brendan Evans, Andrew Taylor, 1996 This history examines the Conservative Party's ability to dominate British politics It takes as its key themes the party's relationship with mass democracy and its willingness to adapt often at the cost of considerable internal conflict and ideological change
