Allegorical Moments Lyn Hejinian, 2023-11-07 *Allegorical Moments* is a set of essays dedicated to rethinking allegory and arguing for its significance as a creative and critical response to sociopolitical environmental and existential turmoil affecting the contemporary world Traditionally allegorical interpretation was intended to express an orthodoxy and support an ideology Hejinian attempts to liberate allegory from its dogmatic usages Presenting modern and contemporary materials ranging from the novel to poetry to painting and cinema to activist poetry of the Occupy movement each essay in the book begins again with different materials and from different perspectives Hejinian's generative scholarship looks back to experimental modernism and forward into a future for a vital wayward poetry resistant to the crushing global effects of neoliberalism **A Companion to Modernist Poetry** David E. Who Can Afford to Improvise? Ed Pavlić, 2015-10-12 More than a quarter century after his death James Baldwin remains an unparalleled figure in American literature and African American cultural politics In *Who Can Afford to Improvise* Ed Pavli offers an unconventional lyrical and accessible meditation on the life writings and legacy of James Baldwin and their relationship to the lyric tradition in black music from gospel and blues to jazz and R B Based on unprecedented access to private correspondence unpublished manuscripts and attuned to a musically inclined poet's skill in close listening *Who Can Afford to Improvise* frames a new narrative of James Baldwin's work and life The route retraces the full arc of Baldwin's passage across the pages and stages of his career according to his constant interactions with black musical styles recordings and musicians Presented in three books or movements the first listens to Baldwin in the initial months of his most intense visibility in May 1963 and the publication of *The Fire Next Time* It introduces the key terms of his lyrical aesthetic and identifies the shifting contours of Baldwin's career from his early work as a reviewer for left leaning journals in the 1940s to his last published and unpublished works from the mid 1980s Book II listens with Baldwin and ruminates on the recorded performances of Billie Holiday and Dinah Washington singers whose message and methods were closely related to his developing world view It concludes with the first detailed account of *The Hallelujah Chorus* a performance from July 1 1973 in which Baldwin shared the stage at Carnegie Hall with Ray Charles Finally in Book III Pavli reverses our musically inflected reconsideration of Baldwin's voice projecting it into the contemporary moment and reading its impact on everything from the music of Amy Winehouse to the street performances of Turf Feinz and the fire of racial oppression and militarization against black Americans in the 21st century Always with an ear close to the music and avoiding the safe box of celebration *Who Can Afford to Improvise* enables a new kind of lyrical travel with the instructive clarity and the open ended mystery Baldwin's work invokes into the world

Lyric In Its Times John Wilkinson, 2019-06-27 In this important new intervention leading poet and critic John Wilkinson explores the material life of the lyric poem How does the lyric considered as an object as an event grapple with permanence and impermanence the rhythms of change and the passing of time Drawing on new insights from contemporary philosophy and object oriented ontology psychoanalysis and the

visual arts The Lyric in Its Times includes innovative and insightful new readings of work by a wide range of lyric poets from Shakespeare Blake and Shelley to Charles Baudelaire Frank O Hara and J H Prynne **Poetics and Praxis 'After'**

Objectivism W. Scott Howard, Broc Rossell, 2018-08-15 Poetics and Praxis After Objectivism includes an introduction ten chapters and a roundtable afterward all of which have been written specifically for this volume The collection examines late twentieth and early twenty first century poetic praxis within and against the dynamic disparate legacy of Objectivism and the Objectivists This is the first volume in the field to study this vital legacy through current poetic praxis renewing the complexities of the past in terms of the difficulties of the present The book s scope investigates the continuing relevance of the Objectivist ethos to poetic praxis in our time examining and exemplifying generative intersections of creativity and critique Poetry and Poetics after Wallace Stevens Bart Eeckhout, Lisa Goldfarb, 2016-11-17 As the figure of Wallace

Stevens 1879 1955 becomes so entrenched in the Modernist canon that he serves as a major reference point for poets and critics alike the time has come to investigate poetry and poetics after him The ambiguity of the preposition is intentional while after may refer neutrally to chronological sequence it also implies ways of aesthetically modeling poetry on a predecessor Likewise the general heading of poetry and poetics allows the sixteen contributors to this volume to range far and wide in terms of poetics from postwar formalists to poets associated with various strands of Postmodernism Language poetry even Confessional poetry ethnic identities with a diverse selection of poets of color nationalities including the Irish Nobel Laureate Seamus Heaney and several English poets or language sidestepping into French and Czech poetry Besides offering a rich harvest of concrete case studies Poetry and Poetics after Wallace Stevens also reconsiders possibilities for talking about poetic influence How can we define and refine the ways in which we establish links between earlier and later poems At what level of abstraction do such links exist What have we learned from debates about competing poetic eras and traditions How is our understanding of an older writer reshaped by engaging with later ones And what are we perhaps not paying attention to aesthetically but also politically historically thematically when we relate contemporary poetry to someone as idiosyncratic as Stevens
