

Riding With Reagan From The White House To The Ranch

Richard T. Stanley

Riding With Reagan From The White House To The Ranch:

Riding with Reagan John R. Barletta, Rochelle Schweizer, 2005-02-01 It is an image etched in the minds of a generation Ronald Reagan perched atop his horse riding through the dusty trails and canyons of his California ranch with his beloved wife Nancy at his side But what most of us did not see was the man who always rode just a few steps away John Barletta was a Vietnam veteran and Secret Service agent who spent over a decade with the Reagans poised to give his own life at any moment to save the 40th president of the United States His superior riding skills made Barletta the perfect choice to protect Reagan during his frequent visits to the ranch Over time he got to know Reagan as few others did But what did these two men talk about during their long solitary hours on horseback and how did they become the unlikely of friends and confidants In *Riding With Reagan* John Barletta shares his one of a kind memories of the President painting a picture of a relaxed Reagan at his very best Through his eyes we see a rugged man who thrived outdoors deeply loved his wife and children and was a prankster at heart Barletta recalls watching Reagan take pleasure in clearing the brush from the grounds spending quiet time with Nancy and entertaining world figures like Mikhail Gorbachev and Queen Elizabeth both of whom were surprised by the spare simplicity of the Reagan ranch Barletta also recalls the sad times watching a once robust Reagan fade into the dark shadows of Alzheimer's disease and the painful moment when he had to tell the former president that his days of horseback riding had come to an end Poignant and candid *Riding With Reagan* is an intimate portrait of the man who remains one of the most popular presidents in our nation's history A stirring ode to friendship brotherhood and the great outdoors it celebrates a true hero whose life and spirit are the embodiment of what it means to be an American **The Reagan Paradox** Editors of TIME Magazine, 2014-09-20 **Reagan** Larry Schweikart, 2019-05-07 New York Times 1 bestselling author Larry Schweikart armed with previously unseen sources from Ronald Reagan's Presidential Library uncovers the most important president of the 20th century and details the life and policies of a man who still remains dear to the hearts of Americans From his time as a lifeguard in Illinois to a sports announcer to a rising actor to a labor union leader then finally governor of California in the tumultuous 1960s and ultimately President Reagan's life is told as it has never been before *The Power of the Herd* Linda Kohanov, 2015-07-20 Linda Kohanov is beloved for her groundbreaking articulation of the way of the horse an experiential wisdom known to riders for centuries but little studied or adapted to off horse use Now Kohanov takes those horse inspired insights on the nonverbal elements of exceptional communication and leadership into the realms of our workplaces and relationships Here we explore the benefits of nonpredatory power in developing assertiveness fostering creativity dealing with conflict and heightening mind body awareness In *A Brief History of Power* the first part of this far reaching book Kohanov profiles cultural innovators who employed extraordinary nonverbal leadership skills to change history usually on horseback Winston Churchill George Washington Alexander the Great and Siddhartha Gautama the Buddha among others She also draws on the behavior of mature horse herds as well as the herding cultures of

Africa and Mongolia to debunk theories of dominance hierarchies challenge ingrained notions of survival of the fittest and demonstrate the power of a consensual leadership in which governing roles are fluid Kohanov then adapts these lessons into twelve powerful guiding principles we can all incorporate into our work and personal lives Eloquent and provocative this is horse sense for everyone who seeks to thrive in the herds we all run in our communities careers families and friendships

Reagan Bob Spitz, 2018-10-02 From New York Times bestselling biographer Bob Spitz a full and rich biography of an epic American life capturing what made Ronald Reagan both so beloved and so transformational More than five years in the making based on hundreds of interviews and access to previously unavailable documents and infused with irresistible storytelling charm Bob Spitz's REAGAN stands fair to be the first truly post partisan biography of our 40th President and thus a balm for our own bitterly divided times It is the quintessential American triumph brought to life with cinematic vividness a young man is born into poverty and raised in a series of flyspeck towns in the Midwest by a pious mother and a reckless alcoholic largely absent father Severely near sighted the boy lives in his own world a world of the popular books of the day and finds his first brush with popularity even fame as a young lifeguard Thanks to his first great love he imagines a way out and makes the extraordinary leap to go to college a modest school by national standards but an audacious presumption in the context of his family's station From there the path is only very dimly lit but it leads him thanks to his great charm and greater luck to a solid career as a radio sportscaster and then astonishingly fatefully to Hollywood And the rest as they say is history Bob Spitz's REAGAN is an absorbing richly detailed even revelatory chronicle of the full arc of Ronald Reagan's epic life giving full weight to the Hollywood years his transition to politics and rocky but ultimately successful run as California governor and ultimately of course his iconic presidency filled with storm and stress but climaxing with his peace talks with the Soviet Union that would serve as his greatest legacy It is filled with fresh assessments and shrewd judgments and doesn't flinch from a full reckoning with the man's strengths and limitations This is no hagiography Reagan was never a brilliant student of anything and his disinterest in hard nosed political scheming while admirable meant that this side of things was left to the other people in his orbit not least his wife Nancy sometimes this delegation could lead to chaos and worse But what emerges as a powerful signal through all the noise is an honest inherent sweetness a gentleness of nature and willingness to see the good in people and in this country that proved to be a tonic for America in his time and still is in ours It was famously said that FDR had a first rate disposition and a second rate intellect Perhaps it is no accident that only FDR had as high a public approval rating leaving office as Reagan did or that in the years since Reagan has been closing in on FDR on rankings of Presidential greatness Written with love and irony which in a great biography is arguably the same thing Bob Spitz's masterpiece will give no comfort to partisans at either extreme for the rest of us it is cause for celebration *The President's House*, 1984 *Protecting the Presidential Candidates* Mel Ayton, 2021-11-24 *Protecting the Presidential Candidates* is the first book of its kind to examine how presidents and presidential candidates were protected

during the presidential election cycles from JFK to Biden It is also the first book of its kind to tell the story of the role of state troopers and private bodyguards in protecting presidential candidates Protection for candidates changed and evolved from the free wheeling style of the 1950s and early 1960s which afforded presidential candidates little or no protection to the growth of bodyguard personnel increased intelligence facilities and state of the art technology employed today to keep the candidates safe Presidential candidates relish connecting with the public and it has given greater visibility to the bodyguards who are willing to place themselves between a presidential candidate and a would be attacker In the milieu in which the Secret Service operates bodyguards have witnessed the terrors of election campaigns when presidential candidates have waded into crowds to shake hands with their supporters rode in open top cars and made sudden but risky changes to their schedules oblivious to the fact that in every campaign there have been people stalking candidates with ill intent Many stories revealed in Protecting the Presidential Candidates have remained largely hidden from the public some buried in newspaper archives and others in oral histories presidential libraries or official government documents The author draws on numerous sources including FBI files presidential biographies vice presidential biographies civilian bodyguard memoirs Secret Service agent memoirs White House staff memoirs and more so that these stories can now be told The book also allows readers to gain an insight into the personal as well as professional relationships between the candidate and the bodyguards who protected them Some candidates were so trusting of their bodyguards they embraced them as part of an inner circle of advisers Bodyguards have also witnessed embarrassing moments in a candidate s campaign and how intrusive they have been at the most delicate of moments The president s day is your day one agent said Nobody sees the president the way an agent does

Time Is Irreverent 3: Gone for 16 Seconds Marty Essen, 2020-03-31 Marty Mann and Nellie Dixon are back for another irreverent liberal twisty time travel comedy This time they have Noah s Ark and Ronald Reagan in their sights Where would you go on a time travel vacation At the conclusion of their last episode Marty Mann and Nellie Dixon were on Starship Blue about to depart for the planet Krichardia some forty light years away Knowing that they would likely never return to Earth again their Krichard lovers Chrissie and Tina arranged for them to abscond with the Chromosphere Cruiser for up to twenty seconds During that time Marty and Nellie could do whatever they wanted as a way to say goodbye to Earth Days weeks or even months might pass for them but as long as their final time jump delivered them back into Starship Blue s cruiser bay within twenty seconds of their departure Captain Jagger and the rest of the Krichard crew would never know they were gone In this episode our snarky heroes embark on that time travel vacation Those trips will hurl them into an enlightening adventure that spans from 3000 BC to AD 10 000 They ll discover the truth behind Noah s Ark encounter the Cult of the Holy Smokin Hot Nellie pilfer a bass from a young Geddy Lee and be taken prisoner by people in the future with just one demand Kill Ronald Reagan Time Is Irreverent 3 Gone for 16 Seconds is a hilarious thought provoking satire with unpredictable twists an unconventional Jesus an unwitting Ronald Reagan and an unabashed look at Earth s past and

future Publisher's Warning This book is intended for a liberal audience and features satirical content that may not be appropriate for Donald Trump supporters or those who are offended by views that challenge traditional religious beliefs Common side effects include wide smiles sudden laughter and occasional snorts Reader discretion is advised This is the third book in the Time Is Irreverent series Each novel is a stand alone adventure and a humorous prologue quickly gets readers up to date

A Humorous Account of America's Past: 1945 to 2001 Richard T. Stanley, 2011-04-27 In 1945 the United States was the most powerful nation in the world But an Iron Curtain soon surrounded Eastern Europe and by 1950 Americans were fighting in Korea In 1952 I Like Ike swept the nation and the Fabulous Fifties began GM sold the most cars gas was 29 cents a gallon and a new house cost 9 000 In 1955 following President Eisenhower's mild heart attack America's favorite sick joke had Vice President Dick Nixon greeting Ike at the White House by saying Welcome back May I race you up the stairs The Fabulous Fifties of Marilyn Monroe and Elvis Presley gave way to riots Hippies and The Beatles during the Radical Sixties The 1960s began with JFK's New Frontier grew into LBJ's Great Society and the Vietnam War and ended with Nixon's Silent Majority and men on the moon Soon Nixon resigned Ford stumbled Carter's brother sold Billy Beer and the star of Bedtime for Bonzo led the popular Reagan Revolution In 1989 Reagan's Evil Empire collapsed Soon George Bush was victorious over Iraq and Panama and lost to Bill Clinton in 1992 Clinton was eventually impeached and was later replaced by another Bush Want more details Read my book

The Bush Tragedy Jacob Weisberg, 2008-01-15 This is the book that cracks the code of the Bush presidency Unstintingly yet compassionately and with no political ax to grind Slate editor in chief Jacob Weisberg methodically and objectively examines the family and circle of advisers who played crucial parts in George W Bush's historic downfall In this revealing and defining portrait Weisberg uncovers the black box from the crash of the Bush presidency Using in depth research revealing analysis and keen psychological acuity Weisberg explores the whole Bush story Distilling all that has been previously written about Bush into a defining portrait he illuminates the fateful choices and key decisions that led George W and thereby the country into its current predicament Weisberg gives the tragedy a historical and literary frame comparing Bush not just to previous American leaders but also to Shakespeare's Prince Hal who rises from ne'er do well youth to become the warrior king Henry V Here is the bitter and fascinating truth of the early years of the Bush dynasty with never before revealed information about the conflict between the two patriarchs on George W's father's side of the family the one an upright pillar of the community the other a rowdy playboy and how that schism would later shape and twist the younger George Bush his father a hero of war business and Republican politics whose accomplishments George W would attempt to copy and whose absences he would resent his mother Barbara who suffered from insecurity depression and deep dissatisfaction with her role as housewife and his younger brother Jeb seen by his parents as steadier stronger and the son most likely to succeed Weisberg also anatomizes the replacement family Bush surrounded himself with in Washington a group he thought could help him correct the mistakes he felt had destroyed his father's presidency Karl Rove who led Bush

astray by pursuing his own historical ambitions and transforming the president into a deeply polarizing figure Dick Cheney whose obsessive quest to restore presidential power and protect the country after 9 11 caused Bush and America to lose the world s respect and finally Donald Rumsfeld and Condoleezza Rice who encouraged Bush s foreign policy illusions and abetted his flight from reality Delving as no other biography has into Bush s religious beliefs which are presented as at once opportunistic and sincere The Bush Tragedy is an essential work that is sure to become a standard reference for any future assessment It is the most balanced and compelling account of a sitting president ever written

Reviewing **Riding With Reagan From The White House To The Ranch**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
