Right From The Start A Pastors Guide To Premarital Counseling:

Right from the Start David Frisbie, Lisa Frisbie, 2011 Right From the Start A Pastor's Guide to Premarital Counseling is a guide for pastors and counselors to help couples prepare for and succeed in married life

A Christian Guide to Sexual Counseling Mary Ann Mayo, 2003-01-17 Sexual counseling is not a task that pastors and general Christian counselors usually consider theirs. If one is to venture into the field, he or she must have a solid foundation of reliable information both physiological and psychological and confidence that caring intervention will make a difference. This book has been written to provide reliable information and also building a basis of confidence for Christian counselors. A Christian Guide to Sexual Counseling offers counselors procedures for helping couples with sexual problems by first exploring the ambivalent messages that church and culture have conveyed about sexuality. Because the primary sex organ of both the male and the female is the mind, attitudes and concepts must be scrutinized, weighed and approved or disapproved. As the author so forcefully maintains, sexual counseling will always be trying to repair distortions if sound sex education does not become a priority for the church. Many contemporary Christians are wary of sex therapy because of the notoriety of charlatans and pop sex psychologists. But faddish theories do not comprise the basis for the mainstream of sex therapy. There are sound biological and psychological bases for sexual counseling. And Christian spirituality is not or should not be disjoined from treatment of sexual problems. So Mayo brings body, mind and spirit together in her assessment of the common problems and the appropriate treatments. The book includes discussions of the following areas: attitudes of the church toward sexuality; the responsibility of Christian leaders to offer positive teaching; normal sexual functioning; common sexual problems in a marriage; the role and possible outcomes of sexual counseling; female problems; male problems; special concerns for singles; premarital education.

The Pastor's Library Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s, *The Minister's Library*, Robert Yost provides students and pastors with expert guidance on building a working ministerial library. From Old and New Testament languages, lexical aids and grammatical tools to commentaries and theologies, as well as pastoral resources, Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses. Far more than just a guide to commentaries, as are so many works today, this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies.

The Bride's Handbook Amy J. Tol, 2005-04-01 Author Amy J. Tol dreamed of planning her wedding since she was a little girl. But when that time finally arrived, she found as many future brides do that the actual preparations can be overwhelming. When this happens, Christian brides just long for a little spiritual guidance. They'll find it in this book. Amy now offers brides-to-be a wedding planner that not only gives practical ideas and advice but also presents spiritual reflections on what it means to be a bride of God. Here all future brides have the unique opportunity to think about God's character, their faith, and their heart. As a result, they will be less frazzled and more focused spiritually and emotionally as they plan for their wedding and the new life that follows.

Christian Worship: Foundations The Hymnal Committee for Christian Worship, Northwestern Publishing House, 2023-07-01 How do you worship Christians in many different churches worship God in many different ways Why do you worship the way you do Pastors and worship leaders must ask and answer questions about worship as they prepare to lead their congregations and share the means of grace in Word and sacrament with God's people *Christian Worship Foundations* offers a helpful and practical commentary on various parts of the church service that will inform decisions for those leading worship While written with pastors in mind this resource is valuable for all Christians interested in the fundamentals of worship The book explores a wide variety of worship topics including the history of worship in the Christian church at large the church year various rites and services various roles in worship art and music choices the culture of worship and outreach This book is meant to help you grow in your understanding of Christian worship principles and practices

Counseling Before Marriage Is a Necessity, Not an Option Isaac M. Arku, 2002

The Premarital Counseling Handbook H. Norman Wright, 1992-04-09 In any endeavor dreams and goals not backed by concrete plans and preparations can result in failure And marriage is no exception claims H Norman Wright In fact without solid planning and forethought by engaged couples we will surely see a continuation of the startling divorce rate among Christians and non Christians alike On the other hand thorough premarital counseling and preparation can result in lifelong marriages that are fulfilling and God honoring That's where the church comes in More and more churches are realizing that their responsibility lies not only in pronouncing men and women husband and wife but also in making sure the proper foundation is laid so that marriages have a better chance of

standing strong under pressure Since its introduction in 1977 as Premarital Counseling this book has been used by literally thousands of churches throughout the country as both a guide and reference tool Now Dr Wright has added new material to cover some perplexing issues that have come into prominence only recently Among those special concerns are Interracial marriages Second marriages Marriages of persons from dysfunctional families Writing for both pastors and other premarital counselors H Norman Wright sets you at ease about the counseling process even if you ve had only limited counseling experience As the author of the popular Before You Say I Do and numerous other books on marriage H Norman Wright documents in The Premarital Counseling Handbook methods hat have proved successful These will help insure that the marriages performed in your church will resist the pressures that are destroying today s married couples
