Rise Get Up And Live In Gods Great Story:

Rise Trip Lee, 2015-02-03 Society says youth is a time for carefree self expression but Trip Lee says God has called everyone to RISE from slumber above low expectations and to live for the risen King The world tells us that our early years are to be irresponsibly enjoyed rather than devoted to meaningful pursuits We re told that responsibility and commitment are burdens to be put off as long as possible And so most of us spend our youth in a sad state of slumber sleeping in on life until we re forced to get up The problem is that life has already begun It s happening right now And God has called you to live it In this powerful book Trip Lee argues it s time to wake up and RISE to live the way we were created to live Young or old we ve been called to live for Him Right now Young believers face the same problems as older Christians but they feel them in unique ways RISE addresses those core problems in an engaging profound and life changing way Don t just sit there RISE

Even if you fall seven times, get up. Grace Ju, Get up Even if you ve fallen seven times God s people have stuck to the ground like gum They ve fallen to the bottom of life with a thud It s like an airplane crashing into the ground When this happens it becomes difficult to get back up Joseph did that and David also crash landed in life But surprisingly these people didn t end their lives by being stuck in the dust It was because God had a promise My soul clings to the dust revive me according to your word 119 25 Joseph had a vision given by God in his heart He still had the vivid vision he had at the age of 17 of the sun moon and twelve stars bowing down in his heart even after 10 years Even though he had been sold into slavery Even though he was accused of attempted rape and was sent to prison it did not dim Joseph s living spirituality and faith in God David was also given God s promise at the age of 17 David had an enormous promise that he would become the king of Israel However the reality of David was gloomy He was surrounded by people who wanted to capture and kill David and he had to live a life of an anxious fugitive abandoned alone Moreover it was hard to imagine that David s enemies would disappear In a word it was like throwing eggs at a rock The king who pursues and the rat who is being pursued Even David described himself as being chased like a flea Nevertheless David did not let go of God s promise You will be victorious You will do great things and surely win 26 25 A person who possesses God s promise A person who embraces God s promise Even though he may seem alone now and walking a path of suffering he is with God A person who is guaranteed by God He will never be defeated Even if he is attacked from all sides and there is no way to escape he will never be defeated A person who has God s promise will never perish Reality often laughs at us saying Do you have a promise But that is not the case Promises are not only for Joseph and David He is the Almighty God He is the God who raises the dead and calls what is not as if it were But the important thing is that He is our Father God the Father God encourages me who is walking into the wilderness with nothing who is depressed and hangs his head who is anxious about a future with no guarantee by tapping my shoulder and giving me a warm and heart warming hug I will make you victorious All your enemies will be cut off Do not hesitate on this path This is the path I command you to take Your throne which I have promised awaits you on the other side of this

wilderness Come on this path with me *Born in a Shack Did Not Hold Me Back* Marian Olivia Heath Griffin,2019-01-31
There is something within us that lets us know that there is a God somewhere I have walked and talked with many people in my lifetime who came from small humble beginnings and made a tremendous life change for themselves and their families Some of us were born in a shack There were no zip codes and no area codes in those days Yet where we were born and where we lived mattered then and matters now Sometimes life presents us with difficulties and hardships From time to time an individual has to look back and ponder from whence he or she has come More importantly no matter what happens in our lives individually or collectively God will be there with us always All we have to do is heed his call and follow him **A Dictionary of the English Language** Samuel Johnson,1777 **A Dictionary of the English Language ...
