

RISKING IT

AN INTERSECTION OF FAITH AND WORK

A Memoir by Tim Hoerr
With Alyssa Kolb

Risking It An Intersection Of Faith And Work

Gert J. J. Biesta

Risking It An Intersection Of Faith And Work:

Risking It Tim Hoerr, Alyssa Kolb, 2014-08-30 How does one best integrate faith personal purpose career and willingness to take risks for God's kingdom This highly personal memoir explores these powerful spiritual themes through engaging storytelling drawing upon a deep well the author's own 30 years in the business trenches Reaching back to his roots the story begins with reflections on growing up the son of a lay minister and working in the family landscaping business both of which considerably shaped the author's subsequent life choices including him become a serial entrepreneur Through a series of progressively risky moves the author take the reader on a journey of wrestling with some of life's most profound questions How does one discover God's calling and then implement it How is faith expressed through taking measured risks What happens when we fail With self deprecating humor and unflinching transparency the author shares over three dozen personal tales that illustrate soul provoking reflections on overcoming failure building meaningful personal and professional relationships passionately pursuing purpose and aligning one's life story with God's far bigger story The Sage Handbook of Decision Making, Assessment and Risk in Social Work Brian J. Taylor, John D. Fluke, J. Christopher Graham, Emily Kedell, Campbell Killick, Aron Shlonsky, Andrew Whittaker, 2023-08-16 The SAGE Handbook on Decision Making Assessment and Risk in Social Work provides a comprehensive overview of key debates and issues and gives pointers on future directions for practice research teaching management of services and development of theoretical understandings It's key aim is to support the development of sound applied science knowledge and values to underpin reasoned reasonable professional judgement and decision making by social workers in practice and those in management and regulatory roles Handbook of Faith and Spirituality in the Workplace Judi Neal, 2012-12-09 While the field of management has developed as a research discipline over the last century until the early 1990s there was essentially no acknowledgement that the human spirit plays an important role in the workplace Over the past twenty years the tide has begun to turn as evidenced by the growing number of courses in academia and in corporate training and an exponential increase in the publications emerging through creative interaction of scholars and practitioners in organizational behaviour workplace diversity sustainability innovation corporate governance leadership and corporate wellness as well as contributions by psychotherapists theologians anthropologists educators philosophers and artists This Handbook is the most comprehensive collection to date of essays by the preeminent researchers and practitioners in faith and spirituality in the workplace featuring not only the most current research and case examples but visions of what will be or should be emerging over the horizon It includes essays by the people who helped to pioneer the field as well as essays by up and coming young scholars Among the questions and issues addressed What does it mean to be a spiritual organization How does this perspective challenge traditional approaches to the firm as a purely rational profit maximizing enterprise Is faith and spirituality in the workplace a passing fad or is there a substantial shift occurring in the business paradigm How does this field inform emerging management disciplines such as

sustainability diversity and social responsibility In what ways are faith and spirituality in the workplace similar to progressive and innovative human resource practices Does faith and spirituality in the workplace bring something additional to the conversation and if so what The aim of *The Handbook of Faith and Spirituality in the Workplace* is to provide researchers faculty students and practitioners with a broad overview of the field from a research perspective while keeping an eye on building a bridge between scholarship and practice

Beautiful Risk of Education Gert J. J. Biesta, 2015-11-17 This is a book about what many teachers know but are increasingly being prevented from talking about that real education always involves a risk The risk is there because as W B Yeats has put it education is not about filling a bucket but about lighting a fire It is there because students are not to be seen as objects to be moulded and disciplined but as subjects of action and responsibility The *Beautiful Risk of Education* is organised around a critical discussion of seven key educational concepts creativity communication teaching learning emancipation democracy and virtuosity By opposing the risk aversion that characterises many contemporary educational policies and practices Gert J J Biesta makes a strong argument for giving risk a central place in our educational endeavours and brings risk taking to the forefront of a critical pedagogical practice

The Evolution of Risk: How Ancient Entrepreneurs Took Chances Ahmed Musa, 2025-01-06 Risk taking is as old as humanity itself In *The Evolution of Risk* delve into the stories of ancient entrepreneurs who risked it all to establish trade routes invent new tools and shape societies From daring maritime expeditions to revolutionary marketplace strategies learn how calculated risks have driven progress throughout history This book offers a fascinating blend of history economics and psychology exploring how our relationship with risk has evolved and what it means for entrepreneurs today Perfect for business enthusiasts and history buffs *The Evolution of Risk* highlights the timeless spirit of innovation

Spiritual Care for Allied Health Practice Lindsay B. Carey, Bernice A. Mathisen, 2018-06-21 This textbook explains the importance of Allied Health Professionals providing spiritual care and gives applied information on how this can be done The first book of its kind it is essential reading for AHPs and students in order to understand how to give holistic and patient centred care

Works of Love in a World of Violence Deidre Nicole Green, 2016-11-10 As she constructively engages feminist critiques of Christianity's complicity in violence Deidre Nicole Green challenges traditional beliefs that self sacrifice amounts to love and that suffering is inherently redemptive by arguing for a Kierkegaardian conception of Christian love that limits self sacrifice Back cover

Business, Religion and the Law Matteo Corsalini, 2022-12-30 This book investigates the intersection between business and religion from a legal perspective Taking a fresh look at some of the most compelling literature in law and religion it proposes a rethinking of what scholars on both sides of the Atlantic have dubbed church autonomy or more recently corporate religious freedom The volume explores how in the wake of a decade of US Supreme Court case law corporate religious freedom is now increasingly being extended to protect the religious liberty of another corporate entity the for profit corporation By exposing this shift from church to business autonomy in American law it is argued that a similar narrative has

also begun to take place in Europe Through a comparative and interdisciplinary approach to corporate religious freedom the work provides the reader with a new comprehensive and easily accessible history of the genesis and evolution of this legal category in American and European law The book combines material that straddles international law and religion corporate law and economic theory The diversity of views contained within it makes it a valuable resource for scholars and students in law and religion corporate social responsibility and law and economics

Business, Economy and Commerce in the Name of God Ednan Aslan, 2025-01-31 Throughout history religious communities have left an indelible mark on society's spiritual life moral compass and economic landscape To fulfill their divine mission these communities need resources to carry out their religious and God centered activities Economic engagement has always been and remains an integral part of their worship In an increasingly globalized world where the professional marketing of religion is on the rise these communities face growing pressure to present their beliefs and values in a polished professional manner This is critical to maintaining or even expanding their influence in a global world As a result religious communities today often operate like businesses engaging in diverse sectors of the economy ranging from pilgrimages and the halal market to the fashion industry This book explores the complex relationship between business and religion It provides a historical overview examines contemporary examples and offers a nuanced analysis of the risks and opportunities involved It also explores the theological implications of doing business in the name of God

Risk in Social Work Practice Andrew Whittaker, Brian Taylor, 2020-04-28 The study of risk in social work involves complex interplay between human behaviour emotion evidence of fact professional values and organisational systems This book brings together contributions from key social work researchers and theorists from the UK USA New Zealand and Italy writing with a focus on aspects of risk within social work It examines key debates concerning risk in contemporary social work practice including ethical dilemmas approaches to decision making and the challenges of ignorance and errors Contributions range from the perennial challenges of how one uses formal knowledge when assessing risk to emerging risks arising from the counterterrorism agenda This book will enable practitioners policy makers and researchers to appreciate the complexities of risk in different settings and apply this understanding to their own practice This book was originally published as a special issue of the Journal of Social Work Practice
