Ritual And Rhetoric In Leviticus Ritual And Rhetoric In Leviticus:

Ritual and Rhetoric in Leviticus James W. Watts, 2007-07-02 Ritual and Rhetoric in Leviticus uses rhetorical analysis to expose the motives behind the writing of the central book of the Torah Pentateuch and its persuasive function in ancient Judaism The answer to the question who was trying to persuade whom of what by writing these texts proves to be quite consistent throughout Leviticus 1 16 Aaronide high priests and their supporters used this book to legitimize their monopoly over the ritual offerings of Jews and Samaritans With this priestly rhetoric at its center the Torah supported the rise to power of two priestly dynasties in Second Temple Judaism Their ascendancy in turn elevated the prestige and rhetorical power to the book making it the first real scripture in Near Eastern and Western religious traditions *Ritual and Rhetoric in Leviticus: From Sacrifice to Scripture* James Washington Watts, 2014-05-14 Ritual and Rhetoric in Leviticus uses rhetorical analysis to expose the motives behind the writing of the central book of the Torah Pentateuch and its persuasive function in ancient Judaism The answer to the question who was trying to persuade whom of what by writing these texts proves to be quite consistent throughout Leviticus 1 16 Aaronide high priests and their supporters used this book to legitimize their monopoly over the ritual offerings of Jews and Samaritans With this priestly rhetoric at its center the Torah supported the rise to power of two priestly dynasties in Second Temple Judaism Their ascendancy in turn elevated the prestige and rhetorical power to the book making it the first real scripture in Near Eastern and Western religious traditions Ritual and Rhetoric in Leviticus James W. Watts, 2012-10-04 Ritual and Rhetoric in Leviticus uses rhetorical analysis to expose the motives behind the writing of the central book of the Torah Pentateuch and its persuasive function in ancient Judaism Rhetorical analysis of Leviticus has implications not only for the form and contents of that book but also for understanding the later history of the rhetoric of priesthood of sacrifice and especially of scripture **Cosmologies of Pure Realms and the Rhetoric of Pollution** Yohan Yoo, James W. Watts, 2021-05-30 This collaboration between two scholars from different fields of religious studies draws on three comparative data sets to develop a new theory of purity and pollution in religion arguing that a culture's beliefs about cosmological realms shapes its pollution ideas and its purification practices The authors of this study refine Mary Douglas foundational theory of pollution as matter out of place using a comparative approach to make the case that a culture's cosmology designates which materials in which places constitute pollution By bringing together a historical comparison of Ancient Near Eastern and Mediterranean religions an ethnographic study of indigenous shamanism on Jeju Island Korea and the reception history of biblical rhetoric about pollution in Jewish and Christian cultures the authors show that a cosmological account of purity works effectively across multiple disparate religious and cultural contexts They conclude that cosmologies reinforce fears of pollution and also that embodied experiences of purification help generate cosmological ideas Providing an innovative insight into a key topic of ritual studies this book will be of vital interest to scholars and graduate students in religion biblical studies and anthropology *New Perspectives on Ritual in the Biblical*

World Laura Quick, Melissa Ramos, 2022-06-16 This volume presents a range of methodologically innovative treatments on ritual action in the Hebrew Bible They treat a diverse range of ritual phenomena including space blessings and oath taking from the world of ancient Israel and Judah The introduction engages with the dominant scholarly models drawn from ritual theory and the volume explores their applicability to ancient textual material such as the Hebrew Bible The chapters reflect high level specialized engagement with specific ritual phenomena through the lens of appropriate theoretical and methodological approaches

Jewish Temple Theology and the Mystery of the Cross Richard J. Barry IV, 2023-10-13 On the Day of Atonement two goats were brought before the high priest at the temple One was chosen as the goat for the Lord a spotless sacrifice and the other was set aside for Azazel doomed to bear sins into the wilderness Jewish Temple Theology and the Mystery of the Cross shows how a theological appreciation for the two movements of Yom Kippur makes it possible to identify the paradox at the heart of Christian soteriology in his single atoning act Jesus Christ fulfills the work of both goats without confusion without division Appreciation for this paradox helps illuminate many of the doctrinal debates in the history of Christian soteriology and offers a compelling way forward Jewish Temple Theology and the Mystery of the Cross begins with a survey of biblical geography first a rich theological pilgrimage to Mount Zion the home of beauty goodness and truth and then to the surrounding desert the wilderness of sin and sorrow To appreciate the Yom Kippur liturgy and to understand the priestly word atonement one must be oriented by this cosmic stage Drawing on the best modern historical critical scholarship this volume reveals the wonders hidden in Leviticus and shows how a sophisticated theological interpretation of this book leads to breakthroughs in our understanding of Christ's saving work Seeing the mystery of the cross from the perspective of the ancient Jewish scriptures has surprising results For example Richard Barry shows how Hans Urs von Balthasar's controversial theology of Holy Saturday is a compelling development of Azazel goat soteriology it is not only biblically licit but is in some ways mandated by the logic of Yom Kippur At the same time David Bentley Hart is celebrated for the way he powerfully advances modern YHWH goat soteriology yet obedience to the logic of Yom Kippur also necessitates a nuanced biblical critique of his muscular universalism How can Christ fulfill the seemingly contradictory movements of both goats in a single saving work Grappling with that question Jewish Temple Theology and the Mystery of the Cross seeks to draw nearer to the heart of the mystery of salvation

Ritual in Deuteronomy Melissa D. Ramos, 2021-04-19 Ritual in Deuteronomy explores the symbolic world of Deuteronomy's ritual covenant and curses through a lens of religious studies and anthropology drawing on previously unexamined Mesopotamian material This book focuses on the ritual material in Deuteronomy including commands regarding sacrifice prayer objects and especially the dramatic ritual enactment of the covenant including curses The book's most unique feature is an entirely new comparative study of Deut 27-30 with two ritual texts from Mesopotamia No studies to date have undertaken a comparison of Deut 27-30 with ancient Near Eastern ritual texts outside of the treaty oath tradition This fresh comparison illuminates how the ritual life of ancient Israel shaped the

literary form of Deuteronomy and concludes that the performance of oaths was a social strategy addressing contemporary anxieties and reinforcing systems of cultural power This book offers a fascinating comparative study which will be of interest to undergraduate and graduate students in biblical studies classical Hebrew theology and ancient Near Eastern studies The book's more technical aspects will also appeal to scholars of the Pentateuch Deuteronomy Biblical Law Ancient Near Eastern History Mesopotamian Studies and Classics

Ritual Innovation in the Hebrew Bible and Early Judaism Nathan MacDonald, 2016-09-26 Are the rituals in the Hebrew Bible of great antiquity practiced unchanged from earliest times or are they the products of later innovators The canonical text is clear ritual innovation is repudiated as when Jeroboam I of Israel inaugurate a novel cult at Bethel and Dan Most rituals are traced back to Moses From Julius Wellhausen to Jacob Milgrom this issue has divided critical scholarship With the rich documentation from the late Second Temple period such as the Dead Sea Scrolls it is apparent that rituals were changed Were such rituals practiced or were they forms of textual imagination How do rituals change and how are such changes authorized Do textual innovation and ritual innovation relate What light might ritual changes between the Hebrew Bible and late Second Temple texts shed on the history of ritual in the Hebrew Bible The essays in this volume engage the various issues that arise when rituals are considered as practices that may be invented and subject to change A number of essays examine how biblical texts show evidence of changing ritual practices some use textual change to discuss related changes in ritual practice while others discuss evidence for ritual change from material culture

Pillars in the History of Biblical Interpretation, Volume 2 Stanley E. Porter, Sean A. Adams, 2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar's theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed

Current Issues in Priestly and Related Literature Roy E. Gane, Ada Taggar-Cohen, 2015-10-28 New directions and fresh insight for scholars and students The single greatest catalyst and contributor to our developing understanding of priestly literature has been Jacob Milgrom 1923-2010 whose seminal articles provocative hypotheses and comprehensively probing books vastly expanded and significantly altered

scholarship regarding priestly and related literature Nineteen articles build on Milgrom's work and look to future directions of research Essays cover a range of topics including the interpretation composition and literary structure of priestly and holiness texts as well as their relationships to deuteronomic and extra biblical texts The book includes a bibliography of Milgrom's work published between 1994 and 2014 Features Comparisons with Mesopotamian Hittite texts Essays from a diverse group of scholars representing a variety of backgrounds perspectives and methodologies Charts and tables illustrate complex relationships and structures
