

Rizal at the Dominican University of the Philippines

Rizal's completion of the *Bachiller en Artes* at Ateneo Municipal entitled him for admission to higher studies at a university. Although Doña Teodora was opposed to Rizal's pursuit of higher education for fear of what might happen to him due to the martyrdom of Gomburza, Don Francisco decided to send him to UST, the Dominican university of the Philippines. This chapter highlights Rizal's pursuit of higher education in the country.

Enrollment at the University of Santo Tomas

At the outset, Rizal was not certain of what course to pursue after graduating with honors at Ateneo. He was quite uncertain as to what career to pursue. His former Jesuit mentors were suggesting that Rizal should take either priesthood or farming.

Rizal considered going into literature, law or medicine. His brother Paciano discouraged him to pursue law, owing to his belief that Rizal will not be able to practice the profession later due to the political conditions in the country during those times.

Uncertain of what to take up, the sixteen-year old Rizal enrolled the course Philosophy and Letters, during his freshman year at UST (1887-1888). In the first place, the said course was what his father wanted him to pursue. Secondly, his decision to enroll in the said academic program could also be attributed to his failure to solicit the advice of Father Ramon Pablo, the rector of Ateneo, who was then in Mindanao at that time (Zaide & Zaide, 1999). He, therefore, found himself taking up courses in Cosmology, Metaphysics, Theodicy, and History of Philosophy.
