Seeing Through Tears Seeing Through Tears:

Seeing Through Tears Judith Kay Nelson, 2005 In this examination of crying behavior and the meaning of tears attachment theory and original research is analyzed to present a thorough look at crying through the life cycle and practical advice concerning this fundamental behaviour *Tear Open My Soul & See Through Me* Michele Renatta, 2014-11-18 There are challenges in life we all face and moments where we feel alone and isolated So many battle with depression and the search to find ourselves in a world of chaos and pain this book is a soul on display may it help guide you on your way and know you are not alone Self esteem and self worth can change our whole perspective on life and acceptance is only part of the battle As the journey of one is the journey of many allow these words to help you find your own path This book is intended to be read as you pass through stages in life which means they do not have to be read in order but as your need dictates Know that hope can be found no matter how far away it may seem and let this help you find hope within yourself This is the poetic diary of healing and personal battles it is the things we don't say that are within many of us so *Tear Open My Soul See Within Me* **Thinking About Tears** Marco Menin, 2022-07-28 A crucial period for the birth of the modern subject France's long eighteenth century approximately 1650-1820 was an era marked by the formulation of a new aesthetic and ethical code revolving around the intensification of emotions and the hyperbolic use of weeping Precisely because tears are not a simple biological fact but rather hang suspended between natural immediacy on one side and cultural artifice on the other the analysis of crying came to represent an exemplary testing ground for investigations into the enigmatic relations binding the realm of physiology to that of psychology *Thinking About Tears* explores how the link between tears and sensibility in France's long eighteenth century helps shed light on the process through which the European emotional lexicon has been built from viewing tears as governed by the sphere of passions and feelings thinkers began to view crying as first a matter of sensibility and then of sensiblerie a pathological excess of sensibility thereby presupposing an intimate connection with the category of sentiments For this reason this volume examines not only or even primarily the actual emotion of crying but also the attempt to think about and explain this feeling Drawing on a wide range of early modern philosophical medical religious and literary texts including moral treatises on the passions medical textbooks letters life writings novels and stage plays *Thinking About Tears* reveals another side to a period that has too often been saddled with the cursory label of the age of reason *Visions and ruins* Joshua Davies, 2018-04-11 *Visions and ruins* explores the production of cultural memory in the Middle Ages and the uses the medieval past has been put to in modernity Working with texts in Old English Middle English and Latin as well as visual and material culture it traces connections in time place language and media to explore the temporal complexities of cultural production and subject formation The book interrogates critical poetic artistic and political archives to reveal exchanges of cultural energy and influence between past and present offering new ways of knowing the medieval past and the contemporary moment *Dragon Tear* Lea Anne Wickizer Huff, 2021-02-08 Eleven year old Jack

Carter begins sixth grade at a new school He s more intelligent than other kids his age but his grades are far from perfect Jack suffers from headaches and strange dreams but he keeps these things secret even from his mom In the dreams someone calls to him but Jack doesn t know who or why An extra severe headache lands Jack in the hospital which is when his life flips upside down He wakes wearing a strange necklace and receives a warning that he must escape the hospital immediately The reality Jack knew has disappeared replaced with a strange world of magic and dragons With no time to adjust Jack is tasked with restoring the four towers that balance the universe Using his intelligence and strength Jack faces incredible obstacles he never could have imagined Along the way he discovers who he is and his true purpose all while saving his home from certain destruction

Attachment Theory and Research in Clinical Work with Adults Joseph H. Obegi, Ety Berant, 2010-06-09 Written with the practicing psychotherapist in mind this invaluable book presents cutting edge knowledge on adult attachment and explores the implications for day to day clinical practice Leading experts illustrate how theory and research in this dynamic area can inform assessment case formulation and clinical decision making The book puts such concepts as the secure base mentalization and attachment styles in a new light by focusing on their utility for understanding the therapeutic relationship and processes of change It offers recommendations for incorporating attachment ideas and tools into specific treatment approaches with separate chapters on psychoanalytic interpersonal cognitive behavioral and emotionally focused therapies

Preaching as Spiritual Leadership Michael E. Connors, CSC, 2021-05-15 In this unique resource Fr Michael E Connors CSC gathers and expertly guides the collective wisdom of experienced preachers and homilists to provide a unique resource that examines the preacher s unique role as shepherd and a spiritual leader The chapters will investigate these dual roles according to the roots of the Catholic spiritual tradition and provide practical advice for priests deacons seminarians in homiletics classes or preaching classes retreat leaders RCIA catechists all who preach Preaching as Spiritual Leadership provides solutions to the following questions How is preaching embedded in the Church s pastoral mission What does it mean to be a shepherd and spiritual leader for others How can a preacher flourish in the role of spiritual leader How can we lead others into committed discipleship through preaching To be a shepherd and spiritual leader the preacher must be in some sense a mystic who is filled with the Lord s gracious presence a presence to be shared with others Homilists are a sacramental people they must also be a mystagogues ministers who can both lead the community s ritual celebrations and help the People of God to plunge into the liturgy with lively faith to touch the holy realities behind them

DON'T BELIEVE IN TEARS Hung Bui, 2014-04-25 Heartbroken after surviving from an unexpected car accident with his wife Jennies Brian is desperate and giving up all hope to live without her He engulfs in silence misery and alcoholic But when he forces himself to accept a job from his father in law also is his boss which is made for him to return his birth city in Viet Nam where he s going to work with his Uncle Tim whose is President of Eastern Bank to clinch an important contract has been arranged His entire world suddenly has changed and his life turns upside down by quirk fate when he accidentally bumps

into a woman outside of the airport who resembles his dead wife and then following her to where she works More astonishing is she s an employee of Eastern Bank also is his uncle s secretary His heart turns over and quickly in love after knowing her name is Ngan Getting closer to Ngan and trying to win her heart Brian intrigues with his uncle to take a mailman job instead to disguise his character And from there they became more than just colleagues but as so often happens in times of need friendships are forged and after Brian is acting as an actor to pretend Ngan s beau to visit her family and then secretly helps Ngan to rework her project They are each surprised at the intimacy of their working and spending days and the impact their encounter brings Warm crying laughing witty and as wise as ever They re falling madly in love and Brian has to return to Viet Nam to get married Ngan With a happy ending when Ngan is immigrated to America at last Brian has a different thought about the fate that God has created Having Ngan in his life as if God has brought Jennies life back on earth for reuniting with him that makes Brian doesn t believe in tears which is he has been crying for and learning along the meaning of true love and ultimately what fate really is

The Tears of Sovereignty Philip Lorenz,2013-06-26 The Tears of Sovereignty is a comparative study of the representation of the concept of sovereignty in paradigmatic plays of early modern English and Spanish drama It argues that baroque drama produces the critical terms through which contemporary philosophical criticism continues to think through the problems of sovereignty today
