Roadkill on the Highway to Heaven Chonda Pierce,2010-05-11 When life s left you flatter than a steamrolled possum turn here for a little hope humor honesty and encouragement from the Bible It s the best of Chonda Pierce s celebrated Roadkill Reports to her fans plus lots of new material and it s perfect for reinflating your outlook anytime anywhere Postcard from Chonda I tell jokes for a living It s adventurous But to do that I have to fly for hours I have to take a bus for days I have to walk up steep stairs in skinny heels In short I sometimes take a beating like roadkill on a country highway Life really is one long journey to heaven My travel journal is filled with what I ve learned along the way the hurts the laughter the victories the failings the crowds and the loneliness and mostly the times I ve seen God at work Chonda **If you meet George Herbert**

on the road, kill him Justin Lewis-Anthony,2013-01-17 Priestly ministry in the Church of England needs a radical rethink George Herbert died in 1633 His legacy continues His poems are read and sung and his parish ministry remains the model for the Church of England s understanding of how and where and why its priests should minister But there is a problem The memory of Herbert celebrated by the Church is an inaccurate one and in its inaccuracy is unfair on Herbert himself and his successors in the ordained ministry This is a book of the long view It sets out to assess realistically the context of Herbert s life and to explore the difficulties of parish life today By examining the status and role of parish clergy since Herbert s time and today it draws on the work of historians social anthropologists psychologists and theologians and presents their ideas in a readable and passionate style It argues that the future strength of parochial ministry will be found in a recovery of historic renewed understandings of priestly ministry and concludes by outlining more sustainable patterns of practice for the future In a climate of uncertainty for the future of the church it will be an encouragement for priest and people and welcomed by both If You Meet the Buddha on the Road, Kill Him Sheldon Kopp,2013-05-22 A fresh realistic approach to altering one s

destiny and accepting the responsibility that grows with freedom No meaning that comes from outside of ourselves is real The Buddahood of each of us has already been obtained We only need to recognize it The most important things that each man must learn no one can teach him Once he accepts this disappointment he will be able to stop depending on the therapist the guru who turns out to be just another struggling human being Using the myth of Gilgamesh Siddhartha The Wife of Bath Don Quizote the works of Buber Ginsberg Shakespeare Karka Nin Dante and Jung a brilliant psychotherapist guru and pilgrim shares the epic tales and intimate revelations that help to shape Everyman s journey through life **Road Kill**

Living on This Side of the Timeline William D. OaEUR(tm)Toole,2024-12-02 This third anthology is the latest and last in the series Living on This Side of the Timeline The front book covers of all three anthologies by published author William

Daniel O Toole symbolize the crossroads we are certain to encounter as we each experience our own life s journey The rugged stairs on the first anthology cover is a visual example of our forging ahead in the many aspects of life while seeking fulfillment in our walk through this world We ascend at our own individual pace depending on our life decisions circumstances or achievements At times the climb may appear daunting and difficult seeming as though unending producing feelings of frustration rather than joy or success The stone bridge on the second anthology cover depicts the places in our lives we reach that may be deemed challenging and require some further thought and guidance Some bridges that we approach may not be in our best interest to cross over regardless of what the other side may look like The third anthology book cover which you hold in your hand represents the pilgrimage path we adopt to travel as we search our own way in this complicated life The paths are many There are those that can be narrow and harrowing but rewarding with others being wide and seemingly harmless As for finding the way up across and along the obstacles of life Jesus can ease that burden for each person if we allow him into our lives in a personal relationship Living on This Side of the Timeline
