

RICHARD A. LANHAM

REVISING PROSE

FIFTH EDITION

Revising Prose 5th Edition

Bryan Garner

Revising Prose 5th Edition:

Revising Prose Richard A. Lanham, 2000 As its title implies this book deals with revising not with original composition Revising Prose enables students to work on their own at steady detailed revision Stressing the importance of the single sentence The Paramedic Method of revision provides students with an easily learned method of revision to combat the obscurities of meaning that plague The Official Style and demonstrates how to revise this stilted dense prose into plain English This text has been used with success at every level of higher education in all disciplines wherever extensive writing is required An accompanying 30 minute Revising Prose Video as well as a Set of Interactive Revision Exercises are available from Rhetorica Inc for an additional fee

Economical Writing, Third Edition Deirdre Nansen McCloskey, 2019-05-17 The book every entrepreneur should read Better than Strunk and White The work of a master Stephen Kinsella University of Limerick Economics is not a field that is known for good writing Charts yes Sparkling prose no Except that is when it comes to Deirdre Nansen McCloskey Her conversational and witty yet always clear style is a hallmark of her classic works of economic history enlivening the dismal science and engaging readers well beyond the discipline And now she s here to share the secrets of how it s done Economical Writing is itself economical a collection of thirty five pithy rules for making your writing clear concise and effective Proceeding from big picture ideas to concrete strategies for improvement at the level of the paragraph sentence or word McCloskey shows us that good writing after all is not just a matter of taste it s a product of adept intuition and a rigorous revision process Debunking stale rules warning us that footnotes are nests for pedants and offering an arsenal of readily applicable tools and methods she shows writers of all levels of experience how to rethink the way they approach their work and gives them the knowledge to turn mediocre prose into magic At once efficient and digestible hilarious and provocative Economical Writing lives up to its promise With McCloskey as our guide it s impossible not to see how any piece of writing on economics or any other subject can be a pleasure to read Writing Theology Well 2nd Edition Lucretia B. Yaghjian, 2015-09-24 A working guide for students conducting theological writing and research on theology and biblical studies courses this book integrates the disciplines of writing rhetoric and theology to provide a standard text for the teaching and mentoring of writing across the theological curriculum As a theological rhetoric it also encourages excellence in theological writing in the public domain by helping to equip students for their wider vocations as writers preachers and communicators in a variety of ministerial and professional contexts This 2nd Edition includes new chapters on Writing Theology in a New Language which explores the linguistic and cultural challenges of writing theology well in a non native language and Writing and Learning Theology in an Electronic Age addressed to distance learning students learning to write theology well from online courses and dealing with the technologies necessary to do so

Revising Prose Richard A. Lanham, 2007 If you only buy one book to help you write make it this one *Rewriting* Joseph Harris, 2017-08-01 Like all writers intellectuals need to say something new and say it well But for intellectuals unlike

many other writers what we have to say is bound up with the books we are reading and the ideas of the people we are talking with What are the moves that an academic writer makes How does writing as an intellectual change the way we work from sources In *Rewriting* Joseph Harris draws the college writing student away from static ideas of thesis support and structure and toward a more mature and dynamic understanding Harris wants college writers to think of intellectual writing as an adaptive and social activity and he offers them a clear set of strategies a set of moves for participating in it The second edition introduces remixing as an additional signature move and is updated with new attention to digital writing which both extends and rethinks the ideas of earlier chapters

Garner's Modern American Usage Bryan Garner, 2009-08-27 Since first appearing in 1998 Garner's *Modern American Usage* has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation Now in the third edition readers will find the Garner's Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout Garner's *Modern American Usage* 3e is the first usage guide ever to incorporate such a language change index and the judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved

Garner's Modern English Usage Bryan Garner, 2016-03-11 A cornerstone of Oxford's language reference list Garner's *Modern English Usage* now includes revisions to more than 2 000 entries to reflect the nuances of English usage not only in the United States but in Australia and New Zealand the United Kingdom Canada and South Africa

Seductive Academic Writing Danyal Freeman, 2018-04-18 This volume teaches academics and graduate students how to write seductive academic prose by learning a literacy rarely taught in academic writing or style handbooks to use literary devices and figures of speech to meet ideals of stylish communication and how these ideals and supposed literary techniques serve academic readers and writers Part one explores the persistent problem of the bad academic writing style called academese and argues stylish academic writers avoid it by writing with figures of speech Part two teaches and illustrates figures of speech seductive writers write into academic prose to convey the music and rhythms of good speech cohesion coherence and storytelling and the personality and passions of the author Part three argues the academy will not heal itself of academese until academic writing pedagogies teach students to care enough for their readers to write with figures of speech that craft seductive academic writing

The Centrality of Style Mike Duncan, Star Medzerian Vanguri, 2013-04-07 In *The Centrality of Style* editors Mike Duncan and Star Medzerian Vanguri argue that style is a central concern of composition studies even as they demonstrate that some of the most compelling work in the area has emerged from the

margins of the field **Writing Instruction for Generation 2.0** Gloria E. Jacobs, 2011-01-16 Writing Instruction for Generation 2.0 addresses many of the concerns teachers have about the impact of the digital world on student writing and suggests ways for teachers to approach these issues within a 21st century literacies framework This book is not about teaching the writing process running a writing workshop or using specific digital tools to support writing instruction Forward thinking teachers who wish to understand the 21st century literacies understand what youth are doing in respect to those literacies and discover how they can apply this knowledge to classroom instruction will find answers to their questions The chapters include specific suggestions but those suggestions are meant as a jumping off point for imaginative and innovative teachers to adapt to meet the specific needs of students in their classrooms

Eventually, you will definitely discover a further experience and realization by spending more cash. yet when? get you resign yourself to that you require to acquire those all needs when having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to comprehend even more nearly the globe, experience, some places, following history, amusement, and a lot more?

It is your definitely own get older to operate reviewing habit. along with guides you could enjoy now is **Revising Prose 5th Edition** below.
