## **Return Of The Homework Machine:**

Return of the Homework Machine Dan Gutman, 2009-06-02 Snik Brenton Judy and Kelsey haven't stayed in the best touch since last year's big homework machine scandal. But they are all pulled back together again when Brenton realizes that the most powerful part of the machine that lets you cheat on homework was never really destroyed. And there is someone out there who wants to use it for a lot more than just cheating. So the group bands together again not only to stop the culprit but also to be the first to find a hidden treasure. If you enjoyed the first adventure The Homework Machine hold on to your hats for this one.

The Homework Machine Dan Gutman, 2009-10-27 Doing homework becomes a thing of the past. Meet the D Squad, a foursome of fifth graders at the Grand Canyon School made up of a geek, a class clown, a teacher's pet, and a slacker. They are bound together by one very big secret: the homework machine. Because the machine code named Belch is doing their homework for them, they start spending a lot of time together, attracting a lot of attention. And attention is exactly what you don't want when you are keeping a secret. Before long, things start to get out of control, and Belch becomes much more powerful than they ever imagined. Now the kids are in a race against their own creation, and the loser could end up in jail or worse.

Danny Dunn and the Homework Machine Raymond Abrashkin, Jay Williams, 2016-01-21 Danny uses a computer that Professor Bulfinch has created for NASA to prepare his homework despite Professor Bulfinch's warning that Danny is to leave the machine alone. With his friend Joe Pearson and his new neighbor Irene Miller, Danny has some success with the machine before it is sabotaged. Can Danny figure out what is wrong with the computer and fix it? And will their teacher learn what's really going on with homework?

The Talent Show Dan Gutman, 2012-07-24 After a devastating tornado destroys much of Cape Bluff, Kansas residents come together as a community to put on a talent show as a fund-raiser.

**Get Those Guys Reading!** Kathleen A. Baxter, Marcia Agness Kochel, 2012-05-07 Want to identify fiction books that boys in grades three through nine will find irresistible? This guide reveals dozens of worthwhile recommendations in categories ranging from adventure stories and sports novels to horror, humorous, and science fiction books. In Get Those Guys Reading: Fiction and Series Books that Boys Will Love, authors Kathleen A. Baxter and Marcia A. Kochel provide compelling and current reading suggestions for younger boys, information that educators, librarians, and parents alike are desperate for. Comprising titles that are almost all well reviewed in at least one major professional journal or that are such big hits with kids that they've received the stamp of approval from the most important reviewers, this book will be invaluable to anyone whose goal is to help boys develop a healthy enthusiasm for reading. It includes chapters on adventure books, animal stories, graphic novels, historical fiction, humorous books, mystery, horror, and suspense titles, science fiction and fantasy, and sports novels. Within each chapter, the selections are further divided into books for younger readers (grades 3-6) and titles for older boys (grades 5-8). Elementary and middle school librarians and teachers, public librarians, Title One teachers, and parents of boys in grades 3-9 will all benefit greatly from having this book at hand.

**The Christmas Genie** Dan Gutman, 2009-10-06 It's the last day of

school before Christmas vacation and Alex Chase and the rest of Mrs Walter s fifth grade class couldn t wish more for the final bell to ring But the day takes a crazy turn when a mysterious meteorite crashes through the classroom window and a genie pops out Bob as he s called is willing to grant only one wish for the class to share and if they can t agree on something before the bell rings in an hour they ll get nothing at all What follows is a debate that is at turns thought provoking and hilarious and at all times irresistible

**Back in the Day** Melvyn Bragg,2022-05-26 Melvyn Bragg s first ever memoir an elegiac intimate account of growing up in post war Cumbria which lyrically evokes a vanished world The best thing he s ever written I loved it Observer A memoir bursting with affection Sunday Times In this elegiac and heartfelt memoir Melvyn Bragg recreates his youth in the Cumbrian market town of Wigton a working class boy who expected to leave school at fifteen yet who gained a scholarship to Oxford University who happily roamed the streets and raided orchards with his gang of friends until a breakdown in adolescence drove him to find refuge in books Vividly evoking the post war era Bragg draws an indelible portrait of all that formed him a community spirited northern town still steeped in the old ways the Lake District landscapes that inspired him and the many remarkable people in his close knit world A moving portrait of a lost England remarkable Daily Telegraph

**Back in the Spaceship Again** Karen Sands-O'Connor,Marietta Frank,1999-08-30 Much literature for children appears in the form of series in which familiar characters appear in book after book In the late nineteenth and early twentieth century authors began to write science fiction series for children These early series generally had plots that revolved around inventions developed by the protagonist But it was the development and use of rocket and atomic science during World War II that paved the way for interesting and exciting new themes conflicts and plots While much has been written about the early juvenile science fiction series particularly the Tom Swift books comparatively little has been written about children s science fiction series published since 1945 This book provides a broad overview of this previously neglected topic The volume offers a critical look at the history themes characters settings and construction of post 1945 juvenile science fiction series including the A I Gang the Animorphs Commander Toad Danny Dunn Dragonfall Five the Magic School Bus and Space Cat The book begins with an introductory history of juvenile science fiction since 1945 with chapters then devoted to particular topics Some of these topics include the role of aliens and animals attitudes toward humor the absence and presence of science and the characterization of women A special feature is an appendix listing the various series In addition the volume provides extensive bibliographical information
