Revelation Interpretation A Bible Commentary For Teaching And Preaching

David L. Barr

Revelation Interpretation A Bible Commentary For Teaching And Preaching:

Revelation M Eugene Boring, **Reading the Book of Revelation** David L. Barr, 2004 The interpretation of the Apocalypse is explored through various methods including historical literary and social analysis in combination with such reading strategies as process postcolonial and religion studies perspectives Shows how diverse methods produce divergent readings of a text Paperback edition available from the Society of Biblical Literature www.sbl-site.org *Priesthood and Temple in John's Apocalypse* Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible s descriptions of YHWH s dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church s experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality **The Continuum History of Apocalypticism** Bernard McGinn, John J. Collins, Stephen Stein, 2003-10-01 Apocalypticism has been the source of hope and courage for the oppressed but has also given rise on many occasions to fanaticism and intolerance The essays in this volume seek neither to apologize for the extravagance of apocalyptic thinkers nor to excuse the perverse actions of some of their followers Rather they strive to understand a powerful perhaps even indispensable element in the history of Western religions that has been the source of both good and evil and still is yet today The Editors The Continuum History of Apocalypticism is a 1 volume select edition of the 3 vol Encyclopedia of Apocalypticism first published in 1998 The main historical surveys that provided the spine of the Encyclopedia have been retained while essays of a thematic nature and a few whose subject matter is not central to the historical development have been omitted The work begins with 8 articles on The Origins of Apocalypticism in the Ancient World extending from ancient Near Eastern myth through the Old Testament to the Dead Sea Scrolls Jesus Paul and the Book of Revelation Next are 7 articles on Apocalyptic Traditions from Late Antiquity to ca 1800 C E including early Christian theology radical movements in the Middle Ages and both Jewish and Islamic apocalypticism in the classic period The final section Apocalypticism in the Modern Age includes 10 articles on apocalypticism in the Americas in Western and Eastern Europe and finally in modern Judaism and

modern Islam **The Beast** Jonathan P. Leonard, 2014-01-30 The identity of the Beast rising out of the sea in Revelation 13 is a hotly debated topic Some believe the Beast has come already while others believe that he is alive today waiting to take his position of power One of the key passages cited by all groups is in Revelation 13 18 18 Yet the imagery of the book of Revelation has opened it to misinterpretation by modern day interpreters who are unfamiliar with the apocalyptic literary genre Jonathan Leonard explains the meaning of the Beast of Revelation 13 18 18 in its first century context and its relevance to members of the early church The imagery of the Beast of Revelation is not seen as instilling fear into the hearts of believers concerning the future but serves as a stinging critique of imperial power idolatry and oppression When properly viewed in its original context the unveiling of the Beast can transcend the first century and serve to strengthen the testimony of the church of Jesus Christ in the present day The Descent of the New Jerusalem Andreas Hoeck, 2003 This study applies discourse analysis to the book of Revelation and offers thus a novel approach to an important biblical text The object of examination is the last of John's visions in his Apocalypse Rev 21 1 22 5 a text famous for its biblical theological density and for the great problems of literary and exegetical quality revealed by the history of exegesis The author accurately defines his text concept explains what he means by discourse analysis of the text and states its phases of application He evaluates recognized exegetes of the Apocalypse and then moves on to his analysis of the pericope 21 1 22 5 Seven macro sentences are marked out and explained The novelty of the method applied yields a fresh and invigorating exegesis through a distinctive adherence to the literary data of the text while observing unusual alertness toward verb tenses **Reading the Bible for All the Wrong Reasons** Russell Pregeant, 2011-01-01 Russell Pregeant shows that reading the Bible without interpretation is impossible The right question is which assumptions are appropriate from publisher description **The Nonviolent Atonement, Second Edition** J. Denny Weaver, 2011-01-26 A provocative study that cuts to the very heart of Christian thought The Nonviolent Atonement challenges the traditional Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ's passive innocent submission to violent death at the hands of a cruel God Instead J Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the New Testament and sensitive to the concerns of pacifist black feminist and womanist theology While many scholars have engaged the subject of violence in atonement theology Weaver's Nonviolent Atonement is the only book that offers a radically new theory rather than simply refurbishing existing theories Key features of this revised and updated second edition include new material on Paul and Anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of Weaver's original work Praise for the first edition The best current single volume on reconstructing the theology of atonement S Mark Heim in Anglican Theological Review Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist and black theologians into the centuries old christological conversation A provocative but faithful proposal benefiting any

student of christology Religious Studies Review A noteworthy contribution to the literature on the atonement Weaver provides a useful critique of the history of atonement motifs he does a fine job of placing Anselm s theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse and he attempts to relate discussions of the atonement to Christian social ethics Trinity Journal This is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers A clearly written passionately expressed introduction to current debates on the atonement Excellent resource

Reviews in Religion and Theology *The Arc of Spirituality* Robert P. Vande Kappelle,2021-10-04 The Arc of Spirituality invites readers on a journey through Western history a journey that begins with the pioneering concepts of ancient Israelites who understood spirituality communally and covenantally Continuing biblically with wisdom and apocalyptic conceptions The Arc of Spirituality examines Western Christian spirituality as it developed historically through twelve phases culminating in the modern period with ethical ecumenical pluralist and ecological expressions and most recently with postmodern secular alternatives Having described his own journey in previous volumes in this culminating book Vande Kappelle builds on earlier writings such as *Response to the Other* *The Second Journey* and *The Church Alumni Association* to tell the story of the Western world s unfolding love affair with God The narrative while continuously inspiring necessarily takes us through dark alleys and down deep rabbit holes in spirituality s never ending quest to know and experience the transcendence around us and within The goal of spirituality is always God and while God makes the journey interesting it is never easy for there are no clear steps to follow or learn While spirituality is more caught than taught at some point we discover it is more about unlearning than learning enriched more by subtraction than by addition The Arc of Spirituality is useful for individual or group study Each chapter concludes with questions for discussion or reflection

Transforming Beliefs Stephen W. Robbins,2006-08-01 Theology by itself is not wisdom Doctrine is not automatically knowledge What constitutes wisdom and knowledge is an interactive relationship with God a life that abides in His presence and takes on His character Stephen W Robbins states in the Preface My intention for writing this book is not to merely transfer information from my brain to yours How sad would that be I want to help you be a transformed not just an informed believer *Transforming Beliefs* presents an accessible and straightforward study of the Apostles Creed Each chapter addresses one of the affirmations in this statement of faith and concludes with a set of questions and exercises Designed to help you advance in Christian spiritual formation this study 1 focuses and expands your vision of who God is and what life looks like in His immediately available kingdom 2 builds your intention to love God and neighbor in everyday life and 3 provides you with useful means to do this on your spiritual pilgrimage Whether you read it on your own or in a small group this study of the Apostles Creed provides spiritual guidance for your journey on the road of transformation

Decoding **Revelation Interpretation A Bible Commentary For Teaching And Preaching**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
