Revelation for Everyone Tom Wright, 2011-11-15 In *Revelation for Everyone* bestselling author and theologian Tom Wright helps us understand the complex book of Revelation in a fresh new way Many regard Revelation as the hardest book in the New Testament It is full of strange lurid and sometimes bizarre and violent imagery As a result people who are quite at home in the Gospels Acts and Paul's letters find themselves tiptoeing around Revelation with a sense that they don't really belong there But they do *Revelation for Everyone* offers one of the clearest and sharpest visions of God's ultimate purpose for the whole creation Here we see how the powerful forces of evil can be and are being overthrown through the victory of Jesus the Messiah which continues to inspire and strengthen his followers today The *For Everyone* commentary series by Tom Wright can be used on its own or alongside his *New Testament for Everyone* guides They commentaries by Tom Wright are designed to help you understand the Bible from a new perspective under the guidance of one of the world's leading New Testament scholars without requiring an in-depth understanding of theology *Revelation for Everyone* is the final book in the *For Everyone New Testament Series* by Tom Wright This end times commentary is aimed at all Christians looking to understand this complex book in a fresh way *The People's New Testament Commentary* M. Eugene Boring, Fred B. Craddock, 2010-01-01 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people's book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible

Exploring People of the New Testament John Phillips, 2007-03-15 Readers of this last volume in the series will gain fresh insight into the lives of more than forty people from the New Testament including well known characters such as Mary Peter and John and lesser known characters such as Anna and Nathanael Includes outlines and numerous illustrations and quotations *The New Testament and the People of God* Tom Wright, 2013-03-21 Twenty years on from its original appearance this ground breaking first volume in N T Wright's magisterial series *Christian Origins and the Question of God* still stands as a major point of reference for students of the New Testament and early Christianity This latest impression has been completely reset to make Wright's elegant and engrossing text more readable The sweep of Wright's project as a whole is breathtaking It is impossible to give a fair assessment of his achievement without sounding grandiose no New Testament scholar since Bultmann has even attempted let alone achieved such an innovative and comprehensive account of New Testament history and theology Richard B Hays

Orthodox and Wesleyan Spirituality S. T. Kimbrough, 2002 In 1999 on the campus of St Vladimir's Seminary leading Orthodox and Methodist scholars clergy and laity met to explore the roots of spirituality in both traditions This volume explores the primary

themes addressed at that consultation holiness and perfection the impact and influence of the Eastern Church upon John and Charles Wesley the founders of Methodism and the common foundational ground upon which the Wesleys and many of the Eastern Fathers stood While there is much to be done toward establishing the direct channels of influence the discourses of this volume will serve well the cause of discovering commonalities as well as differences in their theology and practice One will find here foundation stones for building bridges of understanding and the deepening of spirituality **In Him All**

Things Hold Together Rosemary Poole Morris, 2012-01-16 The book tracks Jesus's story and its implications in prose and poetry in scripture story and song sketches and snippets of essay After starting with a chapter on ways of being with scripture taking it seriously but often not literally and suggestive chapters on God and the Old Testament it moves from Jesus's incarnation through his ministry and passion for the Kingdom of God to his Passion and bodily resurrection These are followed by chapters on what happened next including two chapters on contemporary Christianity the good and the bad of it The take on Jesus as both title and sub title suggest is broad in some ways quite orthodox but insisting on his call for compassion social justice inclusiveness and wholeness for all It's also about Jesus alive and with us now albeit in a different dimension from those with which we are familiar The many meditations are often brief and the poetry is for people and not just for critics and other poets There is much here to think about but it's not an academic tome It can be provocative and often it's just plain fun **For Everyone Bible Study Guide: Revelation** Tom Wright, 2012-10-12 Many regard Revelation

as the hardest book in the New Testament It is full of strange lurid and sometimes bizarre and violent imagery As a result people who are quite at home in the Gospels Acts and Paul's letters find themselves tiptoeing around Revelation with a sense that they don't really belong there But they do This book offers one of the clearest and sharpest visions of God's ultimate purpose for the whole creation Here we see how the powerful forces of evil can be and are being overthrown through the victory of Jesus the Messiah which continues to inspire and strengthen his followers today The guides in this series by Tom Wright can be used on their own or alongside his New Testament for Everyone commentaries They are designed to help you understand the Bible in fresh ways under the guidance of one of the world's leading New Testament scholars Thoughtful questions prayer suggestions and useful background and cultural information all guide you into a deeper understanding of the Christian story and the Christian life **Revelations of the End** Dr. Robert "Andy" Gowins, 2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an

attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days *Living Blessedly Forever* Win Groseclose, 2015-01-22 This is a primer on Systematic Theology designed to introduce the student or the general reader to the vocabulary necessary to understand a deeper study of theology to follow Originally designed as a textbook for Advanced High School Seniors or Bible College Students this should be accessible to all who are interested in the topic Covers seven Loci of Systematics Prolegomena Theology Proper Anthropology Christology Soteriology Ecclesiology and Eschatology along with a chapter on Symbolics the study of the Creeds **Who Is Jesus?** Lola S. Richey, 2012-05-31 Jesus The very name can cause some people to become panicky tense and uneasy Jesus is the central figure of the Christian faith If you are new to the Christian faith and want an excellent readable introduction to Jesus this book is for you If you already have knowledge of Jesus but you want a clearer understanding about Him this book is for you This book not only explains Jesus but it also informs you of the key issues surrounding Him and His time here on earth This book attempts to take the mystery and fear out of Jesus Readers will master the basic facts about Jesus life The overall objective of this book is that people everywhere learn to know and serve Jesus better In particular this book seeks to help individuals develop better knowledge and understanding of Jesus so that they will love Him more confidently and in the same fullness as others
