Deadly Force United States. Congress. House. Committee on the Judiciary. Subcommittee on Criminal Justice, 1989 *The Jamaican Deportees* Charlie Brown, 2012-01-04 This book is about the effect of U S Illegal Immigration Reform and Immigrant Responsibility Act IIRIRA of 1996 and criminal deportation to Jamaica the issues associated with deportees or deported migrants resettlement and re integration and increased crime and violence in Jamaica which several high ranking police officers and policy makers claimed deportees are responsible for It also represents a dedicated attempt to bridge both lines of inquiry between increased criminal deportation and increased crime and violence in Jamaica over a period of time wherein criminal deportees are constantly being blamed for the high murder rate and alarming crime figures in the country placing deported migrants at a severe disadvantage Based on six years of studies and notes taking I find that there are two types of deported migrants and over six different categories of us and I write in details about the categories Some people are unreformed or dangerous and are involved in criminal activities based on a variety of factors while the majority are law abiding citizens Quite a few including myself have tertiary degrees meaningful skills and first world experiences that are in demand thus we can contribute to the society in positive ways but we are highly marginalized And the Government especially and some uninformed people in the society discriminate against deported migrants deportees for arcane reasons I write about the issues and challenges that some deported migrants have to deal with the problems that some unreformed or desperate ones have caused the reasons why re integration and meaningful support is necessary how I was abducted or unlawfully arrested by the police and wrongfully prosecuted and unlawfully convicted by a state prosecutor and how I was

sentenced to an illegal term of imprisonment by a presiding judge and then wrongfully or inadvertently deported to Jamaica by the ICE even though I am a veteran of the US Army with a service connected injury The IIRIRA of 1996 is a reform of laws that are in need of careful revision in the interest of the American Justice and fairness to non US citizens who are permanent residents of the United States A must read edition University Sheepdog in Westwood, L.A.
