

SEVEN RISING

NOVEMBER 21, 2016 – STANDING ROCK RISING

Two hours ago a flash fire broke loose in a corn field just west of Cannonball. Oceti Sakowin Camp media were first to arrive on the scene to start trying to contain the fire. Within minutes the fire had spread hundreds of feet, and more protectors started to arrive to help. Investigating, we saw that the fire was deliberately started by a ball shaped item that was set on fire, and thrown into the brush near the field. With winds coming from the south, the fire was heading directly towards Sacred Stone. We tried our best to help contain the fire until the local Fire Department arrived. *Very scary moment for sure. Here is an image I captured of the turmoil.* –Redhawk
