CHRISTIAN GEORGE

Sex Sushi And Salvation Thoughts On Intimacy Community And Eternity

Greg Speck

Sex Sushi And Salvation Thoughts On Intimacy Community And Eternity:

Sex, Sushi, and Salvation Christian Timothy George, 2008-09-01 There's more to life than computerized slippers and sexy ring tones. The world revolves around something greater than ourselves and we all burn for intimacy, crave community, and struggle for eternity. This is a book about sex, sushi, and salvation: a book of snapshots, the ups and downs, the failures and fortunes. If you hunger for a raw faith that satisfies the soul, read on.

Godology Christian Timothy George, 2009-01-01 There's nothing worse than catatonic Christians standing still in a world of falling people. Godology is for those who crave to know more about God and why it matters. Think: Knowing God meets Celebration of Discipline for twenty somethings. In each chapter, Christian George discloses a biblical reality about the nature of God, a spiritual discipline that connects us to Him, and a practical way to express our faith. Using humorous experiences and honest reflections, George grapples with real-life issues like purpose, despair, triumph, and tragedy. In an age when thinking about God can be academic and abstract, George invites you to really know God. But be warned: it will change everything.

The Reason For Sports Ted Kluck, 2009-08-25 There are books on how to worship God with our marriages, our money, and our sex lives. Books on how to think biblically about movies, television, and the arts. Books on how to vote Christianly and how not to vote Christianly. But there is little thoughtful, Christ-centered writing on the subject that drives most of men's banter with each other and consumes the bulk of their free time: Sports. Written in the vein of Rick Reilly's Sports Illustrated, Chuck Klosterman's Spin, Esquire, and David Foster Wallace's A Supposedly Fun Thing I'll Never Do Again, The Reason for Sports will both entertain and shed light on some of today's most pertinent sports issues: race, drugs, hero worship, and more. All through a biblical lens, we he drowns puppies or that you should cheer for all American QB Tim Tebow because he etches a Bible verse on his eye black before every game. I'll let you draw your own conclusions about all of these people. But I'll invite you to begin formulating your own theology of sports with me.

Eat the Bible Micah E. Chung, 2024-07-19 People love their metaphors for the Bible. The Bible is a sword, a mirror, a script, a score, a cathedral, a rule book, a user's manual, a lamp, a love letter. But how did metaphor, which in the eighteenth century was seen as a deceptive rhetorical trick, become such a prominent tool for speaking of Scripture? And how does one judge between a good metaphor and a bad one? This book explores the theological use of metaphor to describe the nature and interpretation of Scripture. It interrogates three such models: the Bible as musical score (Anthony Thiselton), the Bible as theatrical script (Kevin Vanhoozer), and the Bible as light (John Feinberg), seeking to evaluate their faithfulness to Scripture and church tradition, their fittingness to the current culture, and their fruitfulness for understanding and practicing the biblical text. The author then proposes and explores what he considers a better model, one drawn from the Bible itself: namely, that of Scripture as food.

Living for Jesus Beyond the Spiritual High Greg Speck, 2008-01-01 You soar on a spiritual high at a retreat or fly with emotion at a special meeting. You joyously revel in the presence of your friends at a party. But when the feelings are gone, what will keep you going? Can you really keep a relationship with Jesus that is vibrant even in the boring

times Faith based on fact will do it God's Word will give you strength for a steady walk when the emotions are gone This book does more than entertain it is practical Greg Speck's interesting style will keep you reading and growing for the long haul after the party is over and you're slugging it out in everyday life *Imagine That* Manuel Luz, 2009-06-24 Why are we artists How does God experience art What is the artist's calling in relation to God the church and the world Drawing from his experiences performing Mozart playing dive bars and leading worship and the arts in the church author Manuel Luz seeks to answer the questions that artists often ask Laced with humorous and sometimes poignant anecdotes *Imagine That* is a thought provoking journey through the convergence of art and faith Luz has been a working musician writer pastor and even amateur cartoonist for more than 40 years and in *Imagine That* he lays out his case for a uniquely Christian approach to the vocation of artist using theologically rich and artist friendly language In the end *Imagine That* affirms and equips Christian artists for the special kind of ministry that only they can do

Enjoying the Song of Phrase: An Psychological Symphony within **Sex Sushi And Salvation Thoughts On Intimacy Community And Eternity**

In a global used by screens and the ceaseless chatter of quick conversation, the melodic elegance and mental symphony produced by the prepared term often fade into the background, eclipsed by the constant sound and disturbances that permeate our lives. Nevertheless, located within the pages of **Sex Sushi And Salvation Thoughts On Intimacy Community And Eternity** a wonderful literary value full of natural feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, this charming masterpiece conducts viewers on an emotional journey, skillfully unraveling the concealed melodies and profound influence resonating within each carefully constructed phrase. Within the depths with this moving review, we will investigate the book is central harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
