Sex Rx Lauren Streicher, 2015-01-27 For millions of women in America sex isn't always pleasurable or even possible. Instead sex has become a low priority as they navigate marriage, motherhood and work not to mention cope with chronic stress and lack of sleep. Additionally common gynecological problems can make sex uncomfortable and medical issues can cause it to be downright painful. Dr. Lauren Streicher, a leading women's sexual health expert, offers women the courage, vocabulary and knowledge to identify and solve problems in the bedroom for a wide range of issues from flagging libido, vaginal dryness and sex after menopause to hormone supplements and the effects of medication. *Sex Rx* offers a wealth of knowledge along with a good dose of humor and plenty of encouragement so that every woman, no matter what personal challenges she has, can make having great sex a part of their lives forever. *Sex Rx* was originally published in hardcover as *Love Sex Again*.

Here, seasoned author Maryann Karinch tackles the subject head-on through real-life stories, interviews with experts in the area and common sense practices that will help readers enhance both the way they view themselves sexually.

Pretty Sick Caitlin Kiernan, 2017-09-28 The ultimate resource to looking your best during and after cancer treatment from a veteran beauty industry insider. Like many women who receive the shattering diagnosis of cancer, Caitlin Kiernan was concerned about her health and her future but also about how the treatment would affect how she felt and looked: would she lose her hair? Would she lose her nails? How would she look after a double mastectomy? But unlike other women who battle cancer, Kiernan has spent her entire career as a beauty editor, beauty director (most recently for Life Style Weekly) and now beauty producer. As someone who works in the public eye and in the fashion industry, Kiernan had to quickly learn how to look her best even when she was feeling her worst. So she called on her list of extensive contacts and beauty insiders, from hair professionals to top medical doctors at institutions like Memorial Sloan Kettering and Mt. Sinai Hospital, to style mavens and even celebrities including Wendy Williams and Hoda Kotb, to gather the best and most useful beauty tips for cancer treatment. The result is *Pretty Sick*, the ultimate guide to beauty during and after cancer treatment, covering skin care, hair care, and wig shopping, nail care, makeup, an explanation of breast cancer surgical options, style advice for life post-mastectomy, and much, much more. Illustrated with charming line drawings and peppered with advice from celebrities and cancer survivors, *Pretty Sick* will be a welcome and trusted resource during treatment, helping women to look their best even when they don't feel their best.
