Senate. Committee on the Judiciary,1992 Distributed to some depository libraries in microfiche *Media, Sex, Violence, and Drugs in the Global Village* Yahya R. Kamalipour,Kuldip R. Rampal,2001-10-16 Providing a multicultural analysis of the impact of globalized Western media this guide specifically deals with sex violence and drugs The text proposes a framework for understanding the political social and economic problems that face media policy makers in an age of globalization **Sex Offenders: Punish, Help, Change or Control?** Jo Brayford,Francis Cowe,John Deering,2013-05-07 Sex offending and in particular child sex offending is a complex area for policy makers theorists and practitioners A focus on punishment has reinforced sex offending as a problem that is essentially other to society and discourages engagement with the real scale and scope of sexual offending in the UK This book looks at the growth of work with sex offenders questioning assumptions about the range and types of such offenders and what effective responses to these might be Divided into four sections this book sets out the growth of a broad legislative context and the emergence of child sexual offenders in criminal justice policy and practice It goes on to consider a range of offences and victim typologies arguing that work with offenders and victims is complex and can provide a rich source of theoretical and practical knowledge that should be utilised more fully by both policy makers and practitioners It includes work on female sex offenders electronic monitoring and animal abuse as well as exploring interventions with sex offenders in three different contexts prisons communities and hostels Bringing together academic practice and policy experts the book argues that a clear but complex theoretical and policy approach is required if the risk of re offending and further victimisation is to be reduced Ultimately this book questions whether it makes sense to locate responsibility for responding to sexual offending solely within the criminal justice domain **Gender, Crime and Justice** Lizzie Seal,2021-11-15 This textbook takes a gender inclusive and intersectional feminist approach to examining key topics related to gender crime and justice It provides an overview and critical discussion of contemporary issues and research in this area suitable for use in undergraduate and postgraduate degree modules A key feature of the book is its use of films television series and documentaries to illustrate the concepts and findings from criminological research on gender crime and justice After outlining the meaning of gender and the perspective of intersectional feminism it has chapters focused on interpersonal and sexual violence sex work and the night time economy street crime crimes of the powerful policing and the courts prison and community penalties and a final chapter on extreme punishment and abolitionist futures It speaks to students and academics in criminology sociology and gender studies *An Integrated Approach to Communication Theory and Research* Don W.
