exploitation that continues to exist for women in the basic areas of health sex politics economics and marketing Erudite eccentric provocative and invigorating Germaine Greer once again sets the agenda for the future of feminism Here is all the polemical power that sold over a million copies of *The Female Eunuch* and kept its author at the heart of controversy ever since *The Whole Woman* was a No 1 Sunday Times bestseller for five weeks and was hailed by the critics as a polemical bomb Guardian and as required reading for thinking adults everywhere *How to Be Alone* Jonathan Franzen, 2007-05-15 Musings on postmodern America by the National Book Award winning author Why be alone For the pleasure of reading books such as this Entertainment Weekly *How to Be Alone* is a powerful collection of nonfiction by the New York Times bestselling author of novels including *The Corrections* *Freedom* and *Crossroads* While the essays range in subject matter from the sex advice industry to the way a supermax prison works each one wrestles with the essential themes of Jonathan Franzen's writing the erosion of civil life and private dignity and the hidden persistence of loneliness in postmodern imperial America Franzen focuses on the growing commercialism and alienation Presenting a number of variations on that theme he addresses such personal topics as his smoking habit an interview for the Oprah show and his father's battle with Alzheimer's a poignant account of the disease's impact on his family In addition pieces on the shortcomings of the Chicago post office the supermax prison in Colorado and the isolating effects of an increasingly computerized society show Franzen's skill as a journalist and social critic Also included is *Why Bother* a revision of his 1996 critique of the American novel penetrating yet entertaining social commentary Library Journal Intelligent thoughtful and provocative pieces Publishers Weekly Although Franzen calls them essays many of these pieces are reportage He's good at it He goes out on many a limb as essayists should and gives us a good many things to think about such as the blurring line between private and public behavior in the age of the 24 hour news cycle Minneapolis Star Tribune An intellectually engaging self awareness as formidable as Joan Didion's New York Times Do good books matter anymore This one does Time **The New Partridge Dictionary of Slang and**

Sappho Nancy Freedman, 2014-11-18 In this finely drawn portrait Sappho of Lesbos narrates her extraordinary life from her childhood in war-torn Mitylene to her later relentless search for passionate love Driven by the all-consuming fever of her Muse-inspired poetic gift Sappho leads the reader on a journey that is at once turbulent and divine desperate and sensuous With breathtaking lucidity and great leaps of imagination Nancy Freedman shows us a Sappho we have never known and one we will never forget The toast of kings for her verse Sappho was also a shrewd businesswoman an educator an advocate of women's equality and a rebel who was banished from her island home Remembering her solely as a lesbian icon reveals only one aspect of her multifaceted personality Here finally Nancy Freedman gives us the complete Sappho She was arguably the most accomplished lyric poet of the ancient world but her writing was all but destroyed by the early Church Only in this century have fragments been uncovered so that we too may glimpse the force of this strangely enigmatic woman Contradictory in nature she inspired equally passionate adoration and loathing her fame brought her a series of obsessive loves Her relations with women are well known but it was for the love of a man that she set sail to face her destiny
