Qualities Of Effective Principals:

Qualities of Effective Principals James H. Stronge, Xianxuan Xu, 2021-04-28 What does it take to be a good school principal? No two principals work exactly the same way, but research shows that effective principals focus on a core set of factors critical to fostering success among all students. In this second edition of *Qualities of Effective Principals*, James H. Stronge and Xianxuan Xu delineate these factors and show principals how to successfully balance the needs and priorities of their schools while continuously developing and refining their leadership skills. Throughout the book, the authors provide practical tools and extensive research that will help principals assess, exhibit, and harness instructional leadership to meet a school's goals, foster and sustain an effective school climate for learning, select support and retain high quality teachers and staff, manage school resources effectively and efficiently, create, maintain, and strengthen internal and external community relationships, and define their role in student achievement. This book also includes practical skills checklists along with quality indicators and red flags for effective leadership. *Qualities of Effective Principals* 2nd Edition is an excellent resource for both experienced and new principals committed to developing and leading strong schools that help all students succeed.

Qualities of Effective Teachers James H. Stronge, 2007 Remember those great teachers who made you excited about learning? Remember how it felt to be in their classes and to experience how they made their classrooms come alive? What made those teachers special? What qualities and skills did they have to ignite student learning? Most important, how did those teachers help their students become successful? In *Qualities of Effective Teachers* 2nd edition, James H. Stronge shows educators how to recreate this same excitement and enthusiasm in their own classrooms by describing the characteristics and skills of effective teachers. Stronge synthesizes research to identify specific teacher behaviors that contribute to student achievement. Rather than look at outside factors like demographics, district leadership, and state mandates, Stronge focuses

specifically on what teachers can control their own preparation personality and practices Learn how effective teachers Prepare to be effective educators Establish manage and maintain learning focused classroom environments Organize time communicate expectations and plan instruction Present curriculum to support active and engaged learning Monitor student progress identify student potential and meet the needs of special populations in the classroom This second edition includes new tips and tools for engaging at risk students and high ability students It also includes skills checklists and an expanded annotated bibliography to provide a springboard for further insight and exploration Teachers educators who hire teachers teacher leaders supervisors and teachers in training can all use this book to learn to how to develop better teachers and to improve the quality of learning for all students *Handbook for Qualities of Effective Teachers* James H. Stronge, Pamela D. Tucker, 2004-12-15 What makes an effective teacher How do you help good teachers become even better What tools and techniques are available to support and sustain quality teaching In this companion to the best selling *Qualities of Effective Teachers* you ll find numerous strategies for examining the practice of teaching helping teachers improve their skills and establishing an environment that supports good teaching Each chapter concentrates on a different aspect of teacher effectiveness and the authors include real life teacher scenarios with focus questions that prompt readers to analyze the specific qualities of teaching The authors offer their own analyses of these scenarios and also include supportive research summaries blackline masters graphic organizers and other aids to help readers thoroughly explore the various qualities of effective teachers Principals staff developers teacher educators teacher mentors instructional leaders and teachers themselves can use this book to support new teachers with emerging skills coach promising teachers in the process of becoming effective teachers and identify specific teacher needs from questioning skills to assessment No matter what the skill level of the teachers involved *Handbook for Qualities of Effective Teachers* will encourage a new level of self reflection and better focus efforts to develop the kind of teaching skills that make a positive difference in the classroom Note This product listing is for the Adobe Acrobat PDF version of the book *The Leadership Qualities of Effective Principals* Vincent M. Barone, 2002 **Defining Leadership Qualities of Effective Principals of High English-language Schools** Samuel D. Sarabia, 2014 On March 13 2010 the Obama Administration released A Blueprint for Reform The Reauthorization of the Elementary and Secondary Education Act ESEA The Blueprint focused on four areas including 1 Improving teacher and principal effectiveness DOE 2010 p 3 The goal was for districts to improve the effectiveness of leaders and to ensure that the students in high need schools are being led by effective leaders DOE p 14 Districts were required to develop teacher and principal evaluation systems DOE p 15 The purpose of this quantitative study was to explore and describe the characteristics background and leadership qualities of five elementary school principals identified as effective principals using achievement data from the district s Education Value Added Assessment System EVASS The sample schools were selected using the following criteria high proportion of students living in poverty as measured through National School Lunch Program NSLP

Free and Reduced Cost Meal FARM qualifications high proportion of Latino students high proportion of students identified as English Language Learners ELL and high levels of student achievement as measured through the selected district's value added achievement data A purposive sample of five principals was selected for their willingness to participate This study was grounded in the practice and the literature that principals make a difference Barth 1986 Gezi 1990 Hallinger Leithwood Leithwood Marzano Waters Mortimore 1993 Reitzug Robinson Lloyd Scheurich 1998 Silins Mulford Spillane Diamond Burch Hallett Jita Townsend 1994 and Waters Marzano Camburn Grissom Halverson Prichett Grigg Horng Kalogrides Porter Murphy Goldring Elliott Rowan Camburn Wahlstrom Louis Leithwood Waters Marzano McNamara 1994 Scheaffer Mendenhall 100 percent served as bilingual teachers with state certifications in elementary self contained bilingual and mid management 100 percent had undergraduate degrees in education and 80 percent of the principals had teaching experiences in both lower grades and upper grades within the elementary school setting While the principals had an average of 28 years of experience as principals in the sample schools they had an average of eight years of total principal experience Responses from the McREL based survey suggest that there is a definite disconnect between what principals score themselves on perceived mindsets what they actually think they are doing or believe should be done and their perceived actual behavior as effective principals
