Quick & Easy Hamster Care The Pet Experts at T F H,2002 A simple guide to keeping hamsters as pets **The Simple Guide: Small Animal Care** Dennis Nuzzo, Have you been thinking of bringing a new pet into your family If you have do you realize that it does not have to be something big like a dog You can also have the option of going with a smaller mammal A few examples would be a gerbil or a hamster or maybe even a rabbit or a rat One common reason people choose smaller mammals as a pet is if they are restricted with the amount of space they have for a pet A prime example would be something living in a small apartment in the inner city Chances are that there would not be enough room in the apartment for a dog to be comfortable and have room to play On top of that it can be a real hassle walking a dog up and down stairs to take them outside and some dogs will require training to be able to walk in the city without problems Training can be costly and the entire experience of having a dog in a small apartment can be full of hassles so in this situation it is probably better to go with a smaller pet If your children have been begging you for a pet you might want to start out with a smaller animal Fish can be boring and children can lose their interest and forget about them in no time At the same time a dog can be way too much responsibility for a child especially if they are young and it is their first pet The perfect option for a child as their first pet would be an animal such as a hamster or gerbil Let Us Know What You Think *Simple Hamster Short Stories: Hamsteriko Series Book 1* Angell Octavia,2020-08-26 Welcome to Hamsteriko The floating island that orbits around Planet Venus like one of its moons are filled with immortal hamsters Zeus Greek God of Mount Olympus is the ruler of Hamsteriko and everyone reports to him Faerie Queens of Planet Venus gather stardust to make magical faerie dust and visits Hamsteriko time to time Hamster King Zander and Hamster Queen Veelyn are on royal duties to run the land What about Planet Earth s mortal hamsters Hi I m Angell Octavia and I m just a pet owner who misses my two hamsters I used to have I truly believe that you could write the best short stories about your favorite animals and pets I hope Hamsteriko will become a series of ongoing short stories that will inspire readers to write similar and better short stories **Hamster** Betsy Sikora Siino,2010-03-08 The authoritative information and advice you need illustrated throughout with full color photographs now revised and redesigned to be even more reader friendly Alert and active especially in the evening hamsters are fascinating and fun Your hamster will probably fit in the palm of your hand and with gentle regular handling will quickly begin to love playtime Hamsters are easy to tame and care for This guide helps you do it right with advice on Types of hamsters and characteristics to look for Selecting and furnishing a home for your hamster Proper care and handling Keeping your pet stimulated and healthy Having fun with your curious little critter Cleaning Plain & Simple Donna Smallin,2020-01-30 Learn how to clean smarter not harder and you ll have more time to do the things you love With plain and simple advice on everything from dusting and swabbing to polishing and vacuuming best selling author Donna Smallin shows you how to make the most of your valuable cleaning time Hundreds of quick tips and practical solutions for every imaginable cleaning situation
