Queer Methods And Methodologies:

Queer Methods and Methodologies Dr Catherine J Nash, Professor Kath Browne, 2012-12-28 *Queer Methods and Methodologies* provides the first systematic consideration of the implications of a queer perspective in the pursuit of social scientific research. This volume grapples with key contemporary questions regarding the methodological implications for social science research undertaken from diverse queer perspectives and explores the limitations and potentials of queer engagements with social science research techniques and methodologies. With contributors based in the UK, USA, Canada, Sweden, New Zealand, and Australia, this truly international volume will appeal to anyone pursuing research at the intersections between social scientific research and queer perspectives as well as those engaging with methodological considerations in social science research more broadly.

Handbook of Research Methods in Diversity Management, Equality and Inclusion at Work Lize A.E. Booyesen, Regine Bendl, Judith K. Pringle, 2018-08-31 Equality, diversity, and inclusion (EDI) have become features of organizations as a result of both legal and societal advances as well as neoliberal economic reasoning and considerations. Current research approaches frequently fall short of addressing the challenges faced in EDI research, and this benchmark

Handbook brings up to date coverage of research methods in EDI and advances the development of research in the field
