Painting Death Tim Parks, 2015-10-06 Morris Duckworth has a dark past Having married and murdered his way into a wealthy Italian family he has become a respected member of Veronese business life But it s not enough Never satisfied with being anything short of the best he comes up with a plan to put on the most exciting art exhibition of the decade based on a subject close to his heart killing All the great slaughters of scripture and classical times will be on show from Cain and Abel to Brutus and Caesar But as Morris meets stiff resistance from the director of Verona s Castelveccchio museum everything starts to unravel around him His children are rebelling his mistress is asking for more than he wants to give his wife is increasingly attached to her aging confessor and worst of all it s getting harder and harder to ignore the ghosts that swirl around him and the skeletons rattling in every closet The shame of it is that Morris Arthur Duckworth really did not want to have to kill again Tim Parks acclaimed Duckworth trilogy has been thirty years in the making In *Painting Death* he brings it and his serial killer alter ego to a very fitting and very funny end Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
