My name is David Albert Francis However I am known in the music world as Panama Francis a name that was given to me by Roy Eldridge when I joined his band in 1939 I was born in Miami Florida on December 21 1918 four days short of becoming a Christmas present to my parents I must tell you that I am a stutterer Sometime when I get excited or try to make a point my voice goes up about two octaves I come across to some people as being angry but believe me this what is how I get the words to flow My facial expression might appear to you to be an angry expression What is happening is that I am concentrating on getting the words to come out without interruptions I am sick now from twenty years of life on the board riding on a bus for hours on end eating unhealthy and sometimes unsanitary food and traveling 300 to 500 miles at a time without a bathroom break The current health of bodies of my fellow musicians and I bear witness to the pain and suffering we experienced on the road I am among many many musicians who are paying now for these deplorable conditions on the road We have serious

health ailments that are directly attributable to what we experienced on the road and have negatively impacted the very days of our lives when we should be reaping the benefits of our long years of hard work We are paying the price ISLA ,2000 Clippings of Latin American political social and economic news from various English language newspapers U.S. Air Services ,1932 American Aviation ,1951 *Billboard* ,2001-09-08 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
