different story altogether Get those credit cards ready you fat bastards I've already started on my second book You're about to read how I a lowly Emmy Award winning writer producer voice actor director accidentally stumbled upon the Caveman Diet and how it transformed my body my mind and my spirit and in doing so alienated me from almost everyone It limited the ingredients I could eat yet sparked my creativity and made me into a pretty amazing cook if I do say so myself cause I certainly wasn't when I started Healthy eating and dieting does not mean deprivation I promise you if I can do this anyone can do this It just takes a commitment to change for the better I am in the best shape of my life rarely exercise and I eat LIKE A KING
